Transcript for #gtchat - What the Hasht...

- 12:07 am **laughingatchaos:** I think we see the passion b4 they do. They see interest, we see the passion. #gtchat
- 12:07 am **DeborahMersino:** @MyGiftedLife - Correct. Often parents and/or teachers focus on noted #gifted strength areas, not necessarily passions. #gtchat
- 12:07 am **DeborahMersino:** Hello @jofrei and #AU! #gtchat
- 12:07 am **MyGiftedLife:** and often parents and teachers steer too much. oh you're good at that? let's capitalize on it. but we may be good at everything. #gtchat

- 12:09 am **laughingatchaos:** @DeborahMersino YES! When they're lost in the moment, that's the passion. And they can have so many passions. #gtchat
- 12:09 am **CathRiordan:** What do you do when they are teenage and have become switched off and have a "passion" only for video games? #gtchat
- 12:10 am **laughingatchaos:** @MyGiftedLife I think that was me growing up. And now I multiple music degrees and little current interest. LOL #gtchat
- 12:10 am **TeacherLori:** Hello! #gtchat Part-time teacher and full-time Mom of 6 - some gifted, the others just plain bright. ;-)

- 12:10 am **laughingatchaos:** 2e son is currently grounded off video games; this very minute I'm watching him direct bro & friend in intricate role playing game #gtchat
- 12:11 am **DanFearnley:** Without ANY guidance, interest can either fizzle out aimlessly or it can build and make new connections. Difficult decision. #gtchat

- 12:18 am **DeborahMersino:** @motherthinker - Depends on the #gifted teacher. My dd's tchr makes suggestions all the time for how to nurture passions. #gtchat

- 12:22 am **DeborahMersino:** RT @jofrei: @DeborahMersino PLIESE www.pliese.com.au/ uses projects in passion area to build motivation/achievement in 2E and disengaged #gifted #gtchat
- 12:23 am **DeborahMersino:** DANGER: When parents push kids to pursue their own passions vs. taking lead from child. #gtchat How honest are we w/ourselves?
- 12:23 am **laughingatchaos:** @Isoderman Pick 1 or 2 at a time (3 months or so) and focus on those, then change? #gtchat
- 12:24 am **laughingatchaos:** @DeborahMersino Saw this SO MUCH as a flute teacher. Take lessons yourself! She's not interested! Hard for all involved. #gtchat
- 12:24 am **MyGiftedLife:** has anyone looked into the Barbara Sher books on life design for "scanners"? or the Renaissance Soul book? #gtchat
- 12:24 am **jofrei:** @motherthinker but not tied to "educ". Should it be? #gtchat I say the same about reading purely for enjoyment!

- 12:24 am **CathRiordan:** RT @DeborahMersino: DANGER: When parents push kids to pursue their own passions vs. taking lead from child. #gtchat #gtchat
- 12:25 am **laughingatchaos:** RT @DanFearnley: Depends on whether education is defined as acquiring knowledge and skills or as pertaining directly to academia. #gtchat
- 12:25 am **DeborahMersino:** @Isoderman - Great question. @JeniferFox 's book "Your Child's Strengths" is an excellent resource. Has ?s/surveys to help identify. #gtchat
- 12:25 am **Isbowtie:** @laughingatchaos #gtchat #nfb 1 or 2? heck I'm good if I'm down below a half-dozen - she really is a multi-tasker.
- 12:25 am **motherthinker:** @DeborahMersino I know it is wonderful. I don't see how too much literature is involved - that will always be his struggle. #gtchat
- 12:26 am **DeborahMersino:** This generation of children will work in fields/jobs that haven't even been created yet...let's let them be innovative. #gtchat
- 12:26 am **hillarykwiatek:** Aspie son keeps coming over and peeking over my shoulder. He HATES when I talk about him! #gtchat

- 12:27 am **Isoderman**: @DeborahMersino #gtchat #nfb Thanks for the suggestion... She's a big picture thinker... detail, not so much. Makes for challenge in focus
- 12:27 am **DanFearnley**: Finding out where the interests are means exposing the child to different things. Can be tough if stuck in a routine. #gtchat
- 12:27 am **laughingatchaos**: Let's teach them to THINK, more than anything. Passions lead to THINKING #gtchat
- 12:28 am **Doublelattemama**: @motherthinker i was like that. i had no balance. challenge is helping kids 2 pursue some passions deeply, but others more casually #gtchat
- 12:28 am **KathyLoh**: RT @DeborahMersino: This generation of children will work in fields/jobs that haven't even been created yet...let's let them be innovative. #gtchat

- 12:30 am **DeborahMersino**: RT @MyGiftedLife: @DeborahMersino innovative *and* interdisciplinary. multipotentiality is a real asset here. #gtchat
- 12:30 am **wggifted**: Gifted kids come from gifted families who love their child for who they are, not who parents hope they'll be. #gtchat
- 12:30 am **motherthinker**: @DanFearnley I see it far more broadly, and have ds in a cyber blended school bc I know he needs time to explore his own interests. #gtchat
- 12:30 am **DeborahMersino**: Yes, that strategic mind mind allow @motherthinker's son to completely change the world of bmx. Who knows? #gtchat
- 12:30 am **Isoderman**: DD has passion for idea (ex: ice skating) but loses it when she isn't immediately good at it. Shortens the "passion" #gtchat #nfb

- 12:30 am **KathyLoh**: @DeborahMersino I had no idea there were so many options when I was a child. Wanted to be actress/singer on Broadway #gtchat
- 12:30 am **laughingatchaos**: RT @wggifted: Gifted kids come from gifted families who love their child for who they are, not who parents hope theyll be.??AMEN!!! #gtchat
- 12:31 am **DeborahMersino**: When my dd was still 2, we turned over the digital camera to her. Has taken tens of thousands of photos. #passion #exploration #gtchat
- 12:31 am **laughingatchaos**: @Isoderman yeah, perfectionism can kill passions pretty quickly #gtchat

- 12:31 am **wggifted:** Encouraging your child means providing them with the means for them to feel confident in their talents & gifts, whatever that may be. #gtchat
- 12:31 am **TeacherLori:** RT @laughingatchaos @DanFearnley Cost can be a huge issue, too. #gtchat | I agree, esp. when there are lots of kids!
- 12:31 am **MyGiftedLife:** and I'd always loved the idea of being a dancer but didn't have the talent for it. but I took up martial arts when I was older. #gtchat
- 12:31 am **CathRiordan:** @Isoderman Have a dd just like that! #gtchat
- 12:32 am **laughingatchaos:** @DeborahMersino We gave our non-2e kid a camera for XMAS. GREAT gift! #gtchat
- 12:32 am **DeborahMersino:** @Isoderm - Ahh...the ominous perfectionism rears its ugly head. #gtchat
- 12:32 am **DanFearnley:** My parents pushed me into piano, but it led me to typing and the computer. So even if started w/ a push, the child will steer. #gtchat
- 12:32 am **motherthinker:** @Doublelattemama He's content to bury himself in it. Luckily he has ambition & knows he needs decent grades 2 get in 2 school he wants. #gtchat
- 12:33 am **pamfr:** Quick hello to #gtchat - one of my favorite topics: starting fr what kid is passionate abt. To me, the key to educ for all ability levels.
- 12:33 am **laughingatchaos:** Perfectionism: so great for accomplished musicians, murder on all other areas of life. #gtchat
- 12:33 am **Isoderman:** @laughingatchaos #gtchat #nfb Less perfectionism than used to things being easy. Excels quickly at one, can't understand why not the other.
- 12:33 am **MyGiftedLife:** @DanFearnley my father promised me a rhinestone encrusted piano if I learned to play like Liberace. I don't play now. #gtchat
- 12:33 am **DeborahMersino:** Another important question to ask yourself, "Are YOU living/modeling passion discovery/love?" #gtchat
- 12:34 am **laughingatchaos:** @Isoderman Ah. Yeah, difference. Hard to explain some things are easier than others, and not everything transfers. #gtchat
- 12:34 am **Doublelattemama:** @motherthinker yes, that's when it can become a problem - pursuing 1 passion to the exclusion of all else. i know from experience #gtchat
- 12:34 am **KathyLoh:** @DeborahMersino early yrs 2B writer. Later, psychologist, raise dogs, film composer, teacher, computer programmer- have been most #gtchat
- 12:34 am **MyGiftedLife:** actually, that's a really good point. I think some of us, if hotheaded, struggle to find a passion we can truly call our own. #gtchat
- 12:34 am **jofrei:** @laughingatchaos Agreed so sad! laughingatchaos: @Isoderman yeah, perfectionism can kill passions pretty quickly #gtchat
- 12:34 am **laughingatchaos:** @DeborahMersino Hard to model when in the thick of raising GT/2e kids. I try, though. #gtchat
- 12:34 am **motherthinker:** @DeborahMersino He's not an "I want 2 change the world thinker"-he wants 2 build, ride and talk about bikes 24/7. But he'll grow! #gtchat
- 12:34 am **DanFearnley:** @motherthinker And that kind of blending gives him a chance to connect his own knowledge net, supports innovation. Cool! #gtchat
- 12:34 am **CathRiordan:** My ds is 2e. Schoolwork takes forever. No time for passion outside curriculum. Just wants to chill and recover in front of a screen. #gtchat
- 12:35 am **DeborahMersino:** @PamFR - Welcome! Correct. He/she may be a math whiz, but LOVE art. It's not up to us to say, "Well, you're not very good at that." #gtchat
- 12:35 am **Doublelattemama:** @DeborahMersino shout out to all #gtchat tweeples-i so wish that i could join u guys but i have 2 hungry kids who need 2 b fed & put to bed
- 12:35 am **hillarykwiatek:** One thing I've tried to do is get Miles some time w/ inspiring figures in fields of interests: scientists, paleontologists, etc. #gtchat
- 12:35 am **KathyLoh:** @laughingatchaos as one who coaches musicians, I can say perfectionism

- 12:35 am **laughingatchaos:** @CathRiordan MINE TOO! School couldn't believe he wasn't in many outside activities. NO energy after HW/school. :(Trying 2 fix that #gtchat
- 12:35 am **wggifted:** On perfectionism (L.Silverman) - Perfectionism manifests as dissatisfaction w/what is, & a yearning to become what one ought to be. #gtchat
- 12:35 am **DeborahMersino:** RT @hillarykwiatek: One thing I've tried to do is get Miles some time w/ inspiring figures in fields of interests: scientists, paleontologists, etc. #gtchat
- 12:35 am **TeacherLori:** @DeborahMersino Good question! And are we modeling how to fail and try again? Are we modeling patience and grace and mercy? #gtchat
- 12:36 am **giftedmum:** Hi Mary here from Sydney..both parent & advocate #gtchat my question is how 2 we nurture passion whilst trying 2 avoid obsessive thoughts?
- 12:36 am **motherthinker:** @DeborahMersino He's lucky he goes 2 a school full of kids like him (not bmx stuff). They undrstrnd kids like him & embrace thm. Joy! #gtchat
- 12:36 am **DeborahMersino:** @Doublelattemama - The inspiration behind #gtchat! TY and good night!

- 12:36 am **TeacherLori:** @DeborahMersino And are we modeling how to take risks? #gtchat
- 12:36 am **DeborahMersino:** @wggifted - Powerful. So powerful. #gtchat
- 12:37 am **AmazingAmma:** #gtchat on the topic of multidisciplinary - there's the danger of spreading oneself a bit thin and then losing oneself
- 12:37 am **DeborahMersino:** @TeacherLori - So true. So true. Are we modeling that it's okay to try/fail/try again? #gtchat
- 12:37 am **AmazingAmma:** #gtchat was a problem for me - was passionate about so much that I stopped knowing what to pursue with passion
- 12:37 am **DanFearnley:** @MyGiftedLife Yes, parents killed the piano for me, but empowering to me that I could transfer skills and make it lead somewhere. #gtchat
- 12:38 am **DeborahMersino:** @AmazingAmma - Happy to have you here! #gtchat
- 12:38 am **jofrei:** @DeborahMersino "Are YOU living/modeling passion discovery/love?" #gtchat I would like to think so but...don't know if others would see it
- 12:38 am **MyGiftedLife:** every parent should read Annie Dillard's essay "Handed My Own Life," from her book An American Childhood. looking for a link. #gtchat

- 12:38 am **DeborahMersino:** {Poignant!} RT @AmazingAmma #gtchat was a problem for me - was passionate about so much that I stopped knowing what to pursue with passion
- 12:38 am **AmazingAmma:** RT @TeacherLori: @DeborahMersino Good question! And are we modeling how to fail and try again? <= Is it ok to fail? #gtchat
- 12:38 am **pamfr:** @CathRiordan - heartbreaking: "No time for passion outside curriculum" Let's apply passion IN curriculum. Really, apply cur 2passion #gtchat
- 12:39 am **motherthinker:** @wggifted May B sum pvrsvn of perfcntsm that drives obsessn w/evry part of bike-replacing, trading. Evry penny he gets is in bikes. #gtchat
- 12:39 am **laughingatchaos:** @AmazingAmma Always OK to fail...as long as we learn from it and keep going #gtchat
- 12:39 am **DeborahMersino:** @jofrei - Doesn't matter what others see...what matters is whether your fire is lit and you're reveling. #gtchat
