- 5:05 pm **DeborahMersino:** I'm going to dive in and hopefully others will join us! #gtchat
- 5:05 pm **alisonwrites:** I'm a teacher and grad student who works a lot with gifted elem. kids. Living in snowy(!!!) Alabama for now. #gtchat
- 5:06 pm **DeborahMersino:** Red flags re to homework battles: arguing, crying and meltdowns; poor study skills & organization; failure to write down assignments #gtchat
- 5:07 pm **Jani_Oehlke:** #gtchat - Hello everyone. I am a Parent
- 5:07 pm **laughingatchaos:** meltdowns are our BIG problem. Frustration overload #gtchat
- 5:07 pm **mygiftedgirl:** HI! I'm here!!!! doing homework with my youngest who is off today. LOL #gtchat
- 5:08 pm **laughingatchaos:** And now starting the whole "didn't turn it in" fiasco. #gtchat #gtchat
- 5:08 pm **DeborahMersino:** More red flags: no independent learning abilities, boredom, easily distracted... Do any of these sound familiar? #gtchat
- 5:08 pm **DeborahMersino:** @Jani_Oehlke - Excellent. Happy you're with us today! #gtchat
- 5:08 pm **laughingatchaos:** Deborah, you're living in my closet, eh? ;) #gtchat
- 5:08 pm **DavidsonGifted:** There can be many causes of red flags for #Gifted kids: learning disabilities, organization, perfectionism, repetition, #gtchat
- 5:08 pm **mygiftedgirl:** Big frustration: youngest makes it way harder than it needs to be. Academy award performances. drama and pretends she can't do it #gtchat
- 5:08 pm **Jani_Oehlke:** #gtchat Very familiar!
- 5:09 pm **DeborahMersino:** @mygiftedgirl - Welcome! #gtchat
- 5:09 pm **DeborahMersino:** RT @mygiftedgirl: Big frustration: youngest makes it way harder than it needs to be. Academy award performances. drama and pretends she can't do it #gtchat
- 5:09 pm **DeborahMersino:** RT @DavidsonGifted: There can be many causes of red flags for #Gifted kids: learning disabilities, organization, perfectionism, repetition, #gtchat
- 5:09 pm **DeborahMersino:** @DavidsonGifted - Excellent point. #gtchat
- 5:10 pm **laughingatchaos:** Perfectionism. He comes by it naturally (from me), but it's an advancement killer. #gtchat
- 5:10 pm **DavidsonGifted:** We have found organization to be a major cause of Homework difficulties in our Davidson Academy students #gtchat
- 5:10 pm **laughingatchaos:** @DavidsonGifted What's the solution re: organization? #gtchat
- 5:10 pm **DeborahMersino:** Worth mentioning again. Today, I'll be drawing a lot of advice from "The Big Book of Parenting Solutions" by @micheleborba. #gtchat
- 5:10 pm **laughingatchaos:** @DavidsonGifted Physical organization or mental? #gtchat
- 5:11 pm **alisonwrites:** So wrong to assume that kids are able to figure out organization, study skills, etc. on own. Those have to be taught! #gtchat
- 5:11 pm **DavidsonGifted:** Providing plenty of consistent structure and support (parents & teachers) is of the utmost importance when addressing HW issues #gtchat
- 5:11 pm **laughingatchaos:** RT @alisonwrites: So wrong to assume that kids are able to figure out organization, study skills, etc. on own. Must be taught! #gtchat

- 5:12 pm **alisonwrites:** And there's not necessarily one right way to organize things. Lots of trial and error for individual learner. #gtchat
- 5:12 pm **DeborahMersino:** According to Borba, the single most important parent tip is to recognize that your role with homework is not "doer." #gtchat
- 5:12 pm **laughingatchaos:** @alisonwrites schools don't teach those skills anymore; too busy with state test prep. :(#gtchat
- 5:12 pm **mygiftedgirl:** ANother frustration: getting hw done when we have better and more fun things to do like dance classes! #gtchat
- 5:13 pm **DeborahMersino:** "The work responsibility rests in your kids' hands, not yours." Really? I need to learn this!! #gtchat
- 5:13 pm **DavidsonGifted:** @laughingatchaos #gtchat: Both! one resource we have foudn helpful is the book: Becoming a master student: <http://bit.ly/a47rHW>
- 5:13 pm **laughingatchaos:** @mygiftedgirl school can't believe 2e son doesn't have a lot of after school activities. Too busy w/homework, etc. Gonna change. #gtchat

- 5:14 pm **laughingatchaos:** @DavidsonGifted I'll check out that book, thank you! #gtchat
- 5:14 pm **cybraryman1:** The parent's job is to make sure that the children are doing their homework. #gtchat
- 5:14 pm **alisonwrites:** @laughingatchaos That's so frustrating. All students do better on those assessments if they know how to study. #gtchat
- 5:14 pm **DavidsonGifted:** @laughingatchaos #gtchat: Agreed! We assume since they are bright, they can figure it out, but this is not true. HW skills must be taught
- 5:15 pm **DeborahMersino:** Constant battles, manipulation, no challenge, struggles in learning (#2E), dependence...how can we empower relative to homework? #gtchat
- 5:15 pm **laughingatchaos:** @alisonwrites EXACTLY!!!! Work smarter, not harder! #gtchat
- 5:15 pm **mygiftedgirl:** @laughingatchaos Had to cut 2e kid back from 2 to 1 class/week. Just because off-HW issues. Next yr she wants to dance more. How when? #gtchat
- 5:15 pm **laughingatchaos:** @DavidsonGifted Oftentimes the exact opposite! Ex. function issues hit hard in these kids. #gtchat
- 5:16 pm **DeborahMersino:** Questions to ask: Are the tasks above or below abilities? Too hard/too accelerated? Is he/she too easily distracted? #gtchat
- 5:16 pm **alisonwrites:** @laughingatchaos I feel like I have to teach organization/study skills just to keep myself sane as a teacher. #gtchat
- 5:16 pm **laughingatchaos:** @mygiftedgirl GT teacher yesterday said we should get 2e kid into gymnastics. I'd love to, but... #gtchat
- 5:16 pm **laughingatchaos:** @alisonwrites Bless you for teaching them! I was taught them in school, they need to be taught! #gtchat

- 5:21 pm **TheNextMartha:** I decided that I had so much to say that I started a blog on blogger and am working on my first post about the talk. #gtchat
- 5:21 pm **DavidsonGifted:** @alisonwrites #gtchat Agreed! too often homework is repetition and review. #gifted kids do not need as much of this as most kids.
- 5:21 pm **mygiftedgirl:** 2nd grdr ehhe kind of repetitive. She has lots of dance classes so she's good about getting it done. more dance = less fuss for her #gtchat
- 5:21 pm **alisonwrites:** @DeborahMersino Thanks! :) #gtchat
- 5:21 pm **laughingatchaos:** RT @DeborahMersino: Common-sense simple changes recommended by Borba: Make homework not a choice. #gtchat

- 5:22 pm **laughingatchaos:** @DeborahMersino what kind of hw reminder? #gtchat
- 5:22 pm **DeborahMersino:** @mygiftedgirl I agree. The energy/overexcitabilities are counterbalanced by swim practice. A MUST! They feel so much saner (me too!) #gtchat
- 5:22 pm **laughingatchaos:** @DavidsonGifted Started pos adv yesterday. Such a relief. Changes coming for 2e kid #gtchat
- 5:23 pm **laughingatchaos:** @DeborahMersino Ok, signing up for gymnastics or velodrome within the week. :) #gtchat
- 5:23 pm **DeborahMersino:** @laughingatchaos - White board (which I know you're a fan of!) with regular and/or weekly assignments. Central place in home/fridge #gtchat
- 5:23 pm **gifts2love:** @laughingatchaos #gtchat - what do you mean by pos adv?
- 5:23 pm **DeborahMersino:** @laughingatchaos - So happy for you! You go girl. #gtchat
- 5:23 pm **laughingatchaos:** @DeborahMersino Ah. Already have a chalkboard I could use. :) How do you set it up? #gtchat
- 5:24 pm **DavidsonGifted:** #gtchat. Another good book: Homework Without Tears: <http://www.amazon.com/Homework-Without-Tears-Lee-Canter/dp/0062731327>
- 5:24 pm **DeborahMersino:** Other Borba tip: Know the teacher's expectations. The better the relationship w/teacher, the more positive your child's experience. #gtchat
- 5:24 pm **DeborahMersino:** RT @DavidsonGifted: #gtchat. Another good book: Homework Without Tears: <http://www.amazon.com/Homework-Without-Tears-Lee-Canter/dp/0062731327>
- 5:24 pm **laughingatchaos:** @gifts2love Met w/school team and our GT psych. Made pos changes in hw/classwork amt. Enlarge print. Mastery, not repetition. #gtchat
- 5:24 pm **TeachJohnson:** Homework is a great way to know what your student is up to in school. #gtchat
- 5:25 pm **DeborahMersino:** @DavidsonGifted - How fortunate we are to have you here! #gtchat
- 5:25 pm **mygiftedgirl:** Sometimes HW is the enrichment #gtchat
- 5:25 pm **laughingatchaos:** RT @DeborahMersino: Know the teachers expectations. The better the relationship w/teacher, the more positive your childs exp. #gtchat
- 5:25 pm **laughingatchaos:** Post later today on the meeting. Feeling hopeful. #gtchat
- 5:25 pm **DavidsonGifted:** @gifts2love #gtchat Develo a strong working partnership with teachers, working towards the same goals, positive attitude, "team" approach
- 5:26 pm **TeachJohnson:** Maybe it could be a time to see what your student is up to and have him/her teach you about it. #gtchat
- 5:26 pm **tonnet:** RT @TeachJohnson Homework is a great way to know what your student is up to in school. #gtchat
- 5:26 pm **gifts2love:** @DeborahMersino absolutely! I make that a priority. #gtchat
- 5:26 pm **laughingatchaos:** @DavidsonGifted team approach vital. w/out it you're a pushy parent. little accomplished then, IMHO. #gtchat
- 5:26 pm **gifts2love:** @laughingatchaos got it. #gtchat
- 5:26 pm **DeborahMersino:** Monday: reading; Tuesday: math assignment; Wednesday: reading/writing; Thursday: Study for Spelling Test; Friday: Reading #gtchat
- 5:27 pm **laughingatchaos:** @DeborahMersino HW every day, or packet 1x/week? #gtchat
- 5:27 pm **alisonwrites:** @DavidsonGifted It def. needs to be a "team" effort. I often don't know how a child is reacting to HW at home w/o parent feedback. #gtchat
- 5:27 pm **TeachJohnson:** It is also a way to discover more about strengths and areas for growth. #gtchat
- 5:27 pm **TheNextMartha:** Did you know that 35% of gifted kids with food allergies/sensitivities is due to the milk protein casein? #gtchat

- 5:28 pm **laughingatchaos:** @alisonwrites school team surprised by outbursts at home re: hw. communication vital #gtchat
- 5:28 pm **laughingatchaos:** @TheNextMartha Gluten also an issue. Both out here. #gtchat
- 5:28 pm **DavidsonGifted:** @laughingatchaos #gtchat Exactly! Once you are the "pushy parent" it is hard to change that perception. Start out positive & keep it there
- 5:28 pm **TheNextMartha:** Most siblings are within 10 IQ points of each other? #gtchat
- 5:29 pm **laughingatchaos:** @DavidsonGifted Yup. DH and I are former teachers, we've seen the worst. LOL So we go in w/team approach mindset. :) #gtchat
- 5:29 pm **DeborahMersino:** Can also use whiteboards/chalkboards to list activities. Helps #gifted kids see big picture and emotionally prepare. Feel in control #gtchat
- 5:29 pm **laughingatchaos:** @TheNextMartha Oh, then we're REALLY in trouble here. LOL #gtchat
- 5:30 pm **alisonwrites:** I never want HW to create drama at home. Not the purpose! Parents need to be open if that's an issue. I'm not a psychic! ;-)#gtchat
- 5:30 pm **DeborahMersino:** @TheNextMartha - Yes. #gtchat
- 5:30 pm **DeborahMersino:** RT @DavidsonGifted: @laughingatchaos #gtchat Exactly! Once you are the "pushy parent" it is hard to change that perception. Start out positive & keep it there
- 5:30 pm **laughingatchaos:** @DeborahMersino That's what my big honkin' blackboard is for! :) Big picture and prep. #gtchat
- 5:31 pm **laughingatchaos:** @alisonwrites I tried telling them earlier in the year, finally had to give sordid details for teachers to get it. ;) #gtchat
- 5:31 pm **DeborahMersino:** @alisonwrites - Such a poignant statement for parents to hear from a teacher re homework battles. "I'm not a psychic!" #gtchat
- 5:31 pm **cybraryman1:** When communicating with teachers use "I feel" messages rather than getting into confrontations #gtchat
- 5:31 pm **gifts2love:** to then have a chalkboard back that up is a great idea #gtchat
- 5:31 pm **laughingatchaos:** RT @DeborahMersino: @alisonwrites - poignant statement for parents 2 hear from a teacher re homework battles. "Im not a psychic!" #gtchat

- 5:32 pm **graingered:** ?ing homework correlation to authentic learning- if kids R genuinely immersed in learning, they won't stop at 3:30-is this homework? #gtchat

- 5:33 pm **mygiftedgirl:** 1st grader does about 1hour of hw / night. She makes it take longer. isn't that too long? Most of it is her hw from her tutor. #gtchat
- 5:33 pm **laughingatchaos:** @graingered Nope, that's learning. :) #gtchat
- 5:33 pm **laughingatchaos:** @DeborahMersino Move out and hire a tutor? ;) #gtchat
- 5:33 pm **DavidsonGifted:** @DeborahMersino #gtchat Consistency in the long run is so incredibly important. If you give in one time, it will send the wrong message
- 5:34 pm **alisonwrites:** The more info tchrs get about what's happening at home, the more we can help. We WANT to help, but don't always know the problem. #gtchat
- 5:34 pm **laughingatchaos:** @mygiftedgirl Wow, that's really long. #gtchat
- 5:34 pm **tonnet:** RT @shapiro How do you track this? @TeachJohnson Homework is a great way to know what your student is up to in school. #gtchat
- 5:34 pm **KimMoldofsky:** @mygiftedgirl If she enjoys or tolerates it, I'd say it's not too long. #gtchat
- 5:35 pm **laughingatchaos:** @alisonwrites Yes, I've found this to be true. Open up and talk, for the good of the kid. #gtchat
- 5:35 pm **DeborahMersino:** @laughingatchaos - LOL...you are NOT alone. I cajole far too much. That's why we're talking about this issue! #gtchat
- 5:35 pm **TeachJohnson:** @DeborahMersino I agree consistency is vital. #gtchat
- 5:35 pm **laughingatchaos:** @DavidsonGifted Like training a dog, unfortunately. ;) #gtchat
- 5:35 pm **laughingatchaos:** @DeborahMersino Yay! Not alone! Whew. ;) #gtchat
- 5:36 pm **DeborahMersino:** Okay - the oldies but goodies: Create a special homework spot; set a routine from the beginning; stay positive; remain consistent. #gtchat
- 5:36 pm **TeachJohnson:** @cybraryman1 I think those types of statements are vital. #gtchat
- 5:36 pm **mygiftedgirl:** @laughingatchaos I thought so, & I say that to them... They cut back little. REgular hw takes about 15mins #gtchat
- 5:36 pm **laughingatchaos:** @DeborahMersino HW spot in main part of home, set apart, or depends? #gtchat
- 5:37 pm **laughingatchaos:** @mygiftedgirl does she like it? or fight it? #gtchat
- 5:37 pm **gifts2love:** RT @DeborahMersino: Okay - the oldies but goodies: Create a special homework spot; set a routine from the beginning; stay positive; remain consistent. #gtchat
- 5:37 pm **DeborahMersino:** Do the hardest first; learn planning skills; stop screaming/throwing hands up/crunching eyebrows/etc. :-) #gtchat
- 5:37 pm **alisonwrites:** Should also track if all hw is a struggle or just particular tasks. That's impt feedback for tchrs, too! #gtchat
- 5:37 pm **motherthinker:** DS's program: Attend classes 3 days/week - 3 on-site/3 cyber classes. Complete work on 2 off days. Most work is done 8:30-3:30 M-F. #gtchat
