- 4:03 pm **laughingatchaos:** @Is1smith You'll find this is a treasure trove of info here. Welcome! :) #gtchat
- 4:04 pm **laughingatchaos:** @DeborahMersino The non-day camps are pricey. Day camps are more reasonable, but not as interesting to the boys. #gtchat

4:09 pm

laughingatchaos: It's HARD to find a GT camp that takes into effect the 2e part. He'd love some of these GT camps, but shuts down when hard #gtchat

4:10 pm

CathRiordan: Hi from Ireland. Just joining briefly as going to launch of crochet coral reef project [@sciencegallery](#) with dd shortly #gtchat

4:10 pm

pamfr: #gtchat Our enthusiastic but introv DS likes alternating wks of engineering-ish class and golf/watersports. No FT wks backtoback.

4:10 pm

deepwaterscoach: Attending #gtchat for parents of gifted kids on Twitter. Join us right now!

4:10 pm

cybraryman1: First, you should sit down with your child and ask them what they would interested in doing. #gtchat

4:10 pm

DeborahMersino: Question One: What is the biggest factor you consider when choosing a camp: cost, time, reputation, availability, admission process? #gtchat

4:10 pm

JaneBalvanz: Here's the Belin & Blank Center in Iowa City, IA <http://www.education.uiowa.edu/belinblank/old/summer/> #gtchat

4:10 pm

Is1smith: How do you balance learning with fun. I don't want to push too much. #gtchat

4:11 pm

deepwaterscoach: Excellent idea! RT [@laughingatchaos](#): Maybe I'll take camp money and move us to the beach for the summer. ;) #gtchat

4:11 pm

DeborahMersino: [@CathRiordan](#) [@pamfr](#) [@BrilliantChaos](#): Glad you're joining us! #gtchat

4:11 pm

laughingatchaos: [@DeborahMersino](#) Combo cost/time/distance. Not driving +30 min. to get anywhere. #gtchat

4:11 pm

DeborahMersino: RT [@JaneBalvanz](#): Here's the Belin & Blank Center in Iowa City, IA <http://www.education.uiowa.edu/belinblank/old/summer/> #gtchat

4:11 pm

pamfr: [@CathRiordan](#) Oh how cool! Coral reef crochet is one of my fave TED talks. Enjoy! #gtchat

4:11 pm

laughingatchaos: [@deepwaterscoach](#) Wanna come? LOL #gtchat

4:11 pm

DeborahMersino: [@JaneBalvanz](#) - Excellent! Thank you. #gtchat

4:11 pm

cybraryman1: Colleges, museums et al have good programs for GT students. One summer our son attended a college science program #gtchat

4:11 pm

profplayfair: [@DeborahMersino](#) Thanks for the reminder about EPGY. Was just looking for a summer class. <http://bit.ly/9TdaWo> #gtchat

4:12 pm

DeborahMersino: RT [@cybraryman1](#): First, you should sit down with your child and ask them what they would interested in doing. #gtchat

4:12 pm

deepwaterscoach: Timing is important, as is how well it will challenge my kids while not overstimulating my 2e kid. Tough combo to find! #gtchat

4:12 pm

laughingatchaos: [@cybraryman1](#) CU Boulder is very close; looking into incredible science programs there #gtchat

4:12 pm

deepwaterscoach: I am so there! But would our kids drive each other crazy? RT [@laughingatchaos](#): [@deepwaterscoach](#) Wanna come? LOL #gtchat

4:12 pm

DeborahMersino: [@cybraryman1](#) brings up an essential and sometimes overlooked point. What do your #gifted kids WANT to do/what are their interests? #gtchat

4:12 pm

CathRiordan: [@pamfr](#) Myself and dd have been helping to install it in Dublin. So cool! #gtchat

4:12 pm

laughingatchaos: [@deepwaterscoach](#) EXACTLY! 2e kids+camp can=disaster. Sigh... #atchat

- 4:13 pm **laughingatchaos:** @deepwaterscoach Actually, they'd prob have a great time! ;) #gtchat
- 4:13 pm **DavidsonGifted:** @cybraryman1 So True. Let them guide the process (to a certain degree). They will get much more out of the experience. #gtchat
- 4:13 pm **debbyfriend:** RT @JaneBalvanz Here's the Belin & Blank Center in Iowa City, IA <http://www.education.uiowa.edu/belinblank/old/summer/> #gtchat

- 4:13 pm **laughingatchaos:** RT @DavidsonGifted: Let them guide the process (to a certain degree). They will get much more out of the experience. #gtchat
- 4:14 pm **deepwaterscoach:** Considering what our children want? Much of the time, honestly, I'm seeking relief for myself! LOL! #gtchat
- 4:14 pm **DeborahMersino:** The balancing act is an important aspect. It is summer. We want them to have fun learning, but also BE kids. #gtchat
- 4:14 pm **DeborahMersino:** RT @deepwaterscoach: Considering what our children want? Much of the time, honestly, I'm seeking relief for myself! LOL! #gtchat
- 4:14 pm **laughingatchaos:** @deepwaterscoach A few hours in a long summer for US to rejuvenate! #gtchat
- 4:14 pm **DavidsonGifted:** Summer programs might be the only time of year highly #gifted kids are with peers and truly engaged. They are important opportunities! #gtchat
- 4:15 pm **laughingatchaos:** RT @DeborahMersino: The balancing act is an important aspect. It is summer. We want them to have fun learning, but also BE kids. #gtchat
- 4:15 pm **cybraryman1:** We had E & E weekends. One day was devoted to Education (historic places, museums, etc.) and the other to Entertainment #gtchat
- 4:15 pm **NateStories:** RT @DeborahMersino: Here's @HoagiesGifted 's list of Summer Programs/Enrichment Camps for #gifted | <http://bit.ly/auoAoQ> #gtchat
- 4:15 pm **deepwaterscoach:** RT @DeborahMersino: How to Choose a Summer Camp for #Gifted Kids | <http://bit.ly/dscM4Z> #gtchat (sound ideas/tips)
- 4:15 pm **DeborahMersino:** Tip from Lea Barton: Check out #gifted kids requirements. Some require additional testing/months in advance. Good to know. #gtchat
- 4:15 pm **DeborahMersino:** @cybraryman1 - Great idea (E&E Weekends). #gtchat
- 4:15 pm **CathRiordan:** CTYI run the only GT camps in Ireland. Seems the most valued aspect is the social interaction #gtchat
- 4:16 pm **DeborahMersino:** @NateStories - Glad you're here. We're talking about what matters most when choosing a #gifted camp & finding balance. #gtchat
- 4:16 pm **DeborahMersino:** RT @CathRiordan: CTYI run the only GT camps in Ireland. Seems the most valued aspect is the social interaction #gtchat
- 4:16 pm **DeborahMersino:** @CathRiordan - Important point...the peer group/tribe...being able to revel in learning, while being who they are! #gtchat
- 4:17 pm **cybraryman1:** You have to do a lot of research & give your children choices. If possible visit with child the different possibilities. #gtchat
- 4:17 pm **DeborahMersino:** Another tip from Lea Barton: Determine how much you can afford {Don't overextend}. This can be difficult, particularly now. #gtchat
- 4:17 pm **Is1smith:** @cybraryman1 I like that! So you chose opportunities in your area for one day each weekend! #gtchat
- 4:18 pm **DeborahMersino:** Another Lea Barton tip: Know your child's emotional intelligence. If it's a sleepover camp, can your child handle that? #gtchat
- 4:19 pm **DeborahMersino:** Last Lea Barton tip: Make sure you're not forcing your child to do a gifted version of summer school. Should enrich/stimulate/be fun #gtchat
- 4:19 pm **DeborahMersino:** Warning/consideration: 2E kids, as you know, need extra support. Call the

camp beforehand to discuss whether its a good fit. #gtchat

- 4:19 pm **cybraryman1:** @ls1smith My children loved the Entertainment day and years later thanked us for the day ed trips #gtchat
- 4:20 pm **CathRiordan:** For over 13's here, the only option is a residential 2 or 2 week camp. A bit daunting for a 1st timer, so my ds not keen #gtchat
- 4:20 pm **DeborahMersino:** What about down time? How much time should kids have in your opinion? How much TV/computer/play time/pool? #gtchat
- 4:20 pm **DavidsonGifted:** @DeborahMersino That last tip is a great one.Make sure it is something THEY want to do, or risk turning them off to future learning. #gtchat
- 4:20 pm **Is1smith:** Thinking about looking into the arts this summer. she likes to create. any suggestions? #gtchat
- 4:21 pm **deepwaterscoach:** RT @DeborahMersino: Last Lea Barton tip: Don't force ur child 2 do a gifted version of summer school. Should enrich/stimulate/be fun #gtchat
- 4:21 pm **Is1smith:** I think more time for pool, play...ie downtime in summer is important. less tv all of the time lol! #gtchat
- 4:21 pm **DeborahMersino:** @ls1smith - You can get creative. Sometimes art centers/programs will allow younger students to attend older classes if gifted #gtchat
- 4:22 pm **deepwaterscoach:** I am a huge believer in down time. Kids get really creative & need to blow off steam. #gtchat
- 4:22 pm **DeborahMersino:** @ls1smith - We looked into getting a mentor (photography) for our then 5-year-old who couldn't get enough of digital photog. #gtchat
- 4:22 pm **DavidsonGifted:** @ls1smith How old? Looking for local or residential (anywhere)? #gtchat
- 4:22 pm **CathRiordan:** Rather than a camp, our support group is looking for activities for our kids to do together #gtchat
- 4:22 pm **deepwaterscoach:** We relax screen time rules, tho they may not run rampant w/ screen activities. Pool time is huge for my 2e kiddo! #gtchat
- 4:23 pm **deepwaterscoach:** I know one mom who has kids earn their screen time w/ outside activities, chores, etc. #gtchat
- 4:23 pm **DeborahMersino:** Another tip: Don't forget about scholarships!! Don't rule out something if you scholarships might be available. #gtchat
- 4:23 pm **DeborahMersino:** RT @CathRiordan: Rather than a camp, our support group is looking for activities for our kids to do together #gtchat
- 4:24 pm **laughingatchaos:** RT @deepwaterscoach: I know one mom who has kids earn their screen time w/ outside activities, chores, etc.|| LOVE that idea. :) #gtchat
- 4:24 pm **Is1smith:** @DeborahMersino Great to know. she is very emotional so thought she might like to try drama as an outlet. #gtchat
- 4:24 pm **laughingatchaos:** @CathRiordan Hmm...perhaps I should create a local support group for summer field trips? #gtchat
- 4:24 pm **DeborahMersino:** @CathRiordan - They can revel in being with their tribe...love it. #gtchat
- 4:25 pm **DeborahMersino:** Drama is a WONDERFUL outlet for creative types! #gtchat
- 4:26 pm **DeborahMersino:** @laughingatchaos - Sign me up sister! #gtchat #NewJenLedFieldTripTribe #CO
- 4:26 pm **Is1smith:** @DavidsonGifted She will be 8 in June....looking for local (Charlotte, nc) that allows her to create and maybe explore drama. #gtchat
- 4:26 pm **cybraryman1:** When we banned TV watching M-Th our children were not happy but soon did not mind as they got involved in different activities #gtchat
- 4:26 pm **cybraryman1:** RT @deepwaterscoach: I am a huge believer in down time. Kids get really creative & need to blow off steam. #gtchat
- 4:26 pm **DeborahMersino:** Question: How many of your children are assigned "homework packets" over the summer? Just curious. #gtchat

- 4:26 pm **DeborahMersino:** RT @deepwaterscoach: I am a huge believer in down time. Kids get really creative & need to blow off steam. #gtchat
- 4:27 pm **Is1smith:** I love the group idea for summer field trips. My d is already starting to feel "different" being subject acclerated! #gtchat
- 4:28 pm **DeborahMersino:** My kids also seem "nicer" and better behaved when we've had no-TV. I don't know if its the I-Carly programs of the world or what. #gtchat
- 4:28 pm **aposseadesse66:** @DeborahMersino Hi there! We get recommended reading lists but not homework packets, thank goodness. #gtchat
- 4:28 pm **CathRiordan:** Lots of stuff for non GT kids eg @dididrama and an author friend run <http://www.songandwriting.com/schools.html> #gtchat
- 4:28 pm **deepwaterscoach:** Our school sells books to help children stay sharp. Did them last year when we had long summer due to school finishing new bldg #gtchat
- 4:29 pm **Is1smith:** No homework...just recommended reading lists. I have to do my own leg work. #gtchat
- 4:29 pm **DeborahMersino:** @Is1smith - Our 7pm/EST #gtchat topic is about "Blending and Desires to Fit In"...hope you'll join then too!
- 4:29 pm **ThereseHaberman:** RT @DeborahMersino: My kids also seem "nicer" and better behaved when we've had no-TV. I don't know if its the I-Carly programs of the world or what. #gtchat
- 4:29 pm **DeborahMersino:** RT @CathRiordan: Lots of stuff for non GT kids eg @dididrama and an author friend run <http://www.songandwriting.com/schools.html> #gtchat
- 4:29 pm **CathRiordan:** @aposseadesse66 Hi there. You can take the baton...I have to run! Will try and join next chat #gtchat
- 4:30 pm **deepwaterscoach:** I've read that gifted kids don't experience "summer dip" like other kids b/c their natural creativity & curiosity keeps them sharp. #gtchat
- 4:30 pm **DeborahMersino:** @aposseadesse66 - Our girls get a big packet, however, I'm going to ask if they can get the next year's (as typically its too easy). #gtchat
- 4:31 pm **DeborahMersino:** @CathRiordan - Thank you for sparking the summer group field trip movement for #gifted kids. Ireland rocks. #gtchat Bye!
- 4:31 pm **DavidsonGifted:** @DeborahMersino @cybraryman1 One more:get outside in the summer! So important to get sufficient exercise for healthy development. #gtchat
- 4:32 pm **laughingatchaos:** RT @DavidsonGifted: @DeborahMersino @cybraryman1 One more:get outside in the summer! So important to get sufficient exercise for healthy development. #gtchat
- 4:32 pm **DeborahMersino:** Sometimes I forget though, that having a schedule of sorts, can be comforting to #gifted kids...even if it encompasses downtime #gtchat
- 4:32 pm **DeborahMersino:** RT @DavidsonGifted: @DeborahMersino @cybraryman1 One more:get outside in the summer! So important to get sufficient exercise for healthy development. #gtchat
- 4:33 pm **DeborahMersino:** Regarding exercise/sun, it's vital. We do try to go to pool at least 4x a week for a fun few hours (in addition to swim practice). #gtchat
- 4:33 pm **aposseadesse66:** We used get a list of interesting books, project ideas, art ideas but not obligatory. All imaginative and creative, I loved it! #gtchat
- 4:34 pm **cybraryman1:** @DavidsonGifted Yes! You can have family fun many different ways outdoors, canoe/kayak, games, bike trips etc. #gtchat
- 4:34 pm **Is1smith:** Do your kids ever "resist" planned activities in the summer? or is key finding things they enjoy? #gtchat
- 4:34 pm **DeborahMersino:** Danger: When moms/dads are working, it's tricky to balance out electronics/screen time with in-the-moment fun. #gtchat
- 4:35 pm **DeborahMersino:** @aposseadesse66 - That's fabulous! Sounds healthy. #gtchat

- 4:35 pm **DeborahMersino:** RT @ls1smith Do your kids ever "resist" planned activities in the summer? or is key finding things they enjoy? #gtchat (GREAT question)
- 4:35 pm **aposseadesse66:** @ls1smith Sometimes they sigh a bit about having to get ready, but always enjoy when we get there! #gtchat
- 4:36 pm **NAGCGIFTED:** NAGC will soon announce next round of Webinars On Wednesdays WOW and several of them (April-June) will be summer ideas. #gtchat
- 4:36 pm **DavidsonGifted:** @ls1smith Tough one. I don't have much for you. Have you heard of the Childrens Theater of Charlotte? www.ctcharlotte.org/summer.html #gtchat
- 4:36 pm **DeborahMersino:** @laughingatchaos - Did your son/s ever resist Camp Invention or did they just dive in from the get-go? #gtchat
- 4:36 pm **cybraryman1:** @DavidsonGifted Proper exercise & nutrition are my concerns for our youth! Phys Ed page. <http://bit.ly/5aPzSh> #gtchat
- 4:36 pm **aposseadesse66:** @DeborahMersino Yes, and it could be done at every child's level, gifted or not. #gtchat
- 4:36 pm **DeborahMersino:** RT @NAGCGIFTED: NAGC will soon announce next round of Webinars On Wednesdays WOW and several of them (April-June) will be summer ideas. #gtchat
- 4:37 pm **laughingatchaos:** RT @NAGCGIFTED: NAGC will soon announce next round of Webinars On Wednesdays WOW and several of them (April-June) will be summer ideas. #gtchat
- 4:37 pm **DeborahMersino:** @NAGCGIFTED - How wonderful. We'll be sure to mark our calendars! #WOW Webinars are so informative. #gtchat
- 4:37 pm **DeborahMersino:** RT @cybraryman1: @DavidsonGifted Proper exercise & nutrition are my concerns for our youth! Phys Ed page. <http://bit.ly/5aPzSh> #gtchat
- 4:37 pm **DavidsonGifted:** @DeborahMersino Great! Take advantage while you have a reprieve from the business of school and the weather permits #gtchat
- 4:38 pm **Is1smith:** @DavidsonGifted Yes. Was actually going to check it out! Thx #gtchat
- 4:38 pm **DeborahMersino:** I like the idea of sitting down as a family & looking at the summer calendar together. Allowing 4 ideas/suggestions/trips/musts/fun. #gtchat
- 4:39 pm **laughingatchaos:** RT @DeborahMersino: I like the idea of sitting down as a family & looking at the summer calendar together. Allowing 4 ideas/suggestions/trips/musts/fun. #gtchat
- 4:39 pm **gifts2love:** @DeborahMersino We've been doing that for a couple of years - buy in is great and it's fun to plan! #gtchat
- 4:40 pm **DeborahMersino:** Back to the passion areas/interests #gifted kids often have so many varied interests. Asking them current likes can be enlightening! #gtchat
- 4:40 pm **DeborahMersino:** @gifts2love - Good for you. This will be our first year! Just thought of it...lol. #gtchat
- 4:41 pm **DeborahMersino:** Question: Has anyone had experience w/ a child volunteering at an animal shelter and/or working w/animals in some capacity? #gtchat
- 4:41 pm **DavidsonGifted:** @ls1smith Nice. I don't know anyone who has attended but looks like a great opportunity. Interest-based & flexible scheduling #gtchat
- 4:42 pm **aposseadesse66:** My kids also like to go back to some familiar places & do same activities as previous years. #gtchat
- 4:42 pm **Is1smith:** @DeborahMersino I agree! My d announced she wants to swim team and take dance! #gtchat
- 4:42 pm **gifts2love:** @deepwaterscoach That wouldn't surprise me at all! #gtchat
- 4:42 pm **DavidsonGifted:** @DeborahMersino Sometimes this is hard b/c liability. At some places there are minimum ages. Wish it wasn't so! #gtchat
- 4:43 pm **aposseadesse66:** @DeborahMersino One of mine would love to volunteer at a dog shelter, that

- 4:44 pm **DeborahMersino:** @DavidsonGifted - I've worried about that...it's my Oldest's biggest passion area. Wants to care for snow leopards - today! :-) #gtchat
- 4:45 pm **DeborahMersino:** How about parents who work? How do you balance work/kids/summer? Just curious! #gtchat
- 4:45 pm **aposseadesse66:** I'd say there would be some liability issues around snow leopards alright, lol! #gtchat
- 4:46 pm **Is1smith:** @DeborahMersino I am in academia but PT in summer; half week w/me the other with grandparentsts..makes summer activity a challenge #gtchat
- 4:47 pm **DavidsonGifted:** @DeborahMersino That would be an incredible experience. If you find an org willing to allow it, please share (I might join him!) #gtchat

- 4:51 pm **DavidsonGifted:** @Is1smith Do you have pets? If not, this might be a nice intro into animal care. Then you will also need a vet, a possible mentor? #gtchat
- 4:52 pm **gifts2love:** @DeborahMersino - ha! Want me to send you my spreadsheets? Or is that too scary? #gtchat - Perfectionists raise perfectionists, you know!
- 4:53 pm **deepwaterscoach:** @DeborahMersino We have not done a space camp. Honestly, w/ the education my kids get, space camp (so we've heard) isn't that great #gtchat
- 4:53 pm **DeborahMersino:** Last tip: If you are interested in a #gifted camp, be sure to start investigating now (as they fill up/have requirements). #gtchat

- 11:15 pm **Is1smith:** Any research that says whole grade acceleration improves this? #gtchat
- 11:15 pm **ewhims:** @DavidsonGifted boredom w/material, age peers not intellectual peers, no challenges, eventually say "why bother" sad #gtchat
- 11:15 pm **GaryBrannigan:** In my exp. , kids with most difficult time were divergent thinkers #gtchat
- 11:15 pm **mygiftedgirl:** @CathRiordan So true.. Our girls are 22 months apart. So it's a real issue. Our youngest is finally starting to see her strengths. #gtchat

- 11:18 pm **DavidsonGifted:** @ls1smith There is a ton of resarch supporting whole grade acceleration. Success depends on when and how done and teachers of course #gtchat
- 11:19 pm **DeborahMersino:** @ewhims @JustInTimeED @MyGiftedLife - Good to see you all here! We're talking about causes of blending, underachievement. #gtchat

- 11:21 pm **DeborahMersino:** Delisle & Bergner (one of last links posted) discuss a lot about the role of the family in helping reverse patters of UA. #gtchat

- 11:22 pm **Is1smith:** @GaryBrannigan Enrichment vs. acceleration? i would love to see this research! #gtchat
- 11:22 pm **DavidsonGifted:** @GaryBrannigan Perhaps in some circles. There is still a ton of work being done by Belin-Blank Center in Iowa on Acceleration #gtchat

- 11:23 pm **aposedesse66:** Multipotentiality can cause issues too when so many things are of deep interest & are not developed to "high" standard #gtchat

- 11:25 pm **JustInTimeED:** @GaryBrannigan I would argue that schools have focused on same-age grouping and ignored the need to group intellectual peers #gtchat
- 11:25 pm **DeborahMersino:** Who defines the standard of achievement is of particular interest too...Parents' view, teachers' view, students? #gtchat
- 11:26 pm **CathRiordan:** RT @JustInTimeED: @GaryBrannigan schools have focused on same-age grouping and ignored the need to group intellectual peers #gtchat
- 11:26 pm **DeborahMersino:** Some students are more interested in learning than in working for grades...should be encouraged to pursue interests! #gtchat
- 11:27 pm **GaryBrannigan:** One phy sm, shy, high IQ child I remember was accelerated. 2 years later parents retained her because she was not happy: no friends #gtchat
- 11:27 pm **Is1smith:** @DeborahMersino I agree. And achievement should be "whole child" focused. #gtchat
- 11:27 pm **DeborahMersino:** While clustering, acceleration vs. enrichment are all vital subjects of debate, how can we address issues of blending & UA tonight? #gtchat
- 11:27 pm **DavidsonGifted:** @DeborahMersino So True. What might be acceptable achievement to a teacher might really be underachievement for a bright student. #gtchat
- 11:28 pm **DeborahMersino:** Although it is vital to note that often boredom equates w/ underachievement; hence the correlation. #gtchat
- 11:28 pm **DeborahMersino:** @DavidsonGifted - Agreed. A 98? I can't believe I didn't get 100. #gtchat
- 11:29 pm **Is1smith:** @DeborahMersino Good point. But parents keep telling me it's harde to get into "good colleges" now. high pressure new norm #gtchat
- 11:29 pm **GaryBrannigan:** I worry more about the dev of talent to the detriment of well rounded dev. #gtchat
- 11:30 pm **DeborahMersino:** Adept school counselors and #gifted counselors can play a vital role with this...helping with self-concept/strong identity. #gtchat
- 11:31 pm **DeborahMersino:** @GaryBrannigan -Good consideration. Pressures from parents/teachers relative to "talent" at expense of individual - detrimental! #gtchat
- 11:32 pm **DeborahMersino:** @Is1smith We can model something different/change the new norm. Encourage passions, socio-emo discussions, think about how we model #gtchat
- 11:32 pm **Is1smith:** Helping kids see the application of what they are learning can help UA. A mentor may help since parents are "out of touch" LOL #gtchat
- 11:33 pm **DeborahMersino:** Question: How do you support a #gifted student who says, I don't want to try so hard? or I don't want to be the only one pulled out? #gtchat
- 11:33 pm **DeborahMersino:** RT @Is1smith: @DeborahMersino I agree. And achievement should be "whole child" focused. #gtchat
- 11:33 pm **GaryBrannigan:** @DeborahMersino Thanks; it sounds a lot better the way you said it! #gtchat
- 11:34 pm **DavidsonGifted:** @DeborahMersino Agreed. If parents and other adults are constantly modeling "fitting in" at all costs what message does that send? #gtchat
- 11:34 pm **DeborahMersino:** @GaryBrannigan :-) #gtchat
- 11:35 pm **sandynay:** RT @Is1smith: @GaryBrannigan Enrichment vs. acceleration? i would love to see this research!#gtchat
- 11:35 pm **DeborahMersino:** I've mentioned this before, but Dr. Rick Olenchak talks about wanting to scream at parents who complain about Bs! #gtchat
- 11:35 pm **aposedesse66:** @DeborahMersino Let them take the scenic route sometimes? As long as they have tasted passion & success they'll come back to it #gtchat
- 11:35 pm **CathRiordan:** Afraid I'm not too good at modelling the fitting in thing..my kids find me somewhat of an embarrassment at times! #gtchat
- 11:36 pm **DeborahMersino:** @DavidsonGifted - Agreed. Are we overtly focused on their grades, our status or are we encouraging their passions/trustings? #gtchat

- 11:36 pm **DeborahMersino:** RT @aposseadesse66: @DeborahMersino Let them take the scenic route sometimes? As long as they have tasted passion & success they'll come back to it #gtchat
- 11:36 pm **GaryBrannigan:** Even if parents don't stress fitting in, peers sure will. Remember your middle sch and hs years? #gtchat
- 11:37 pm **DeborahMersino:** We all know the pressure-cooker doesn't work! #Gifted kids are often perfectionistic anyway; we can help model/show them a new way #gtchat
- 11:37 pm **CathRiordan:** So true RT @GaryBrannigan: Even if parents don't stress fitting in, peers sure will. #gtchat
- 11:38 pm **DeborahMersino:** Middle school years can be brutal. I'm already seeing it in third grade. #gtchat
