- 11:10 pm **dafna_m:** I think it is a bigger issue than just GT funding. Funding for any kid not at the top of the bell curve is dismal. #gtchat
- 11:11 pm **danyelwierson:** @DeepWatersCoach #gtchat not to go all manifesto, but the govt. takes care of the people who are easiest to control, not the challengers.

- 11:11 pm **Ijconrad:** Advocacy is a lot easier for gifted as a whole than for own children. I've grown weary of the battles with S.D. #gtchat
- 11:11 pm **deepwaterscoach:** @danyelwierson Oo...excellent point, and well said! #gtchat
- 11:11 pm **DeborahMersino:** It's interesting b/c advocacy must start local/needs to be, but also must be supported statewide/nationally. #gtchat
- 11:11 pm **LesLinks:** @FrazzIld Too true... #gtchat
- 11:12 pm **FrazzIld:** @dafna_m Yes, it is also a lack of understanding and training #gtchat

- 11:12 pm **DazzIld:** Q1 I think it's a combination. In Ireland gt education was barely spoken about, even in the economic boom #gtchat
- 11:12 pm **DeborahMersino:** RT @danyelwierson: @DeepWatersCoach #gtchat not to go all manifesto, but the govt. takes care of the people who are easiest to control, not the challengers.

- 11:12 pm **KTVee:** just think, every person who we can educate can add to our strength in numbers #gtchat
- 11:13 pm **Ijconrad:** Ya know, money issues at the local level are bogus arguments. There's always money for sports and administrators' pay raises #gtchat
- 11:13 pm **DeborahMersino:** Q2: How many of you think gifted support needs to be mandated? If so, how? If not, why? #gtchat
- 11:13 pm **deepwaterscoach:** @Ijconrad I mourn Javits-seemed 2 b our only foot in the budget door. Now we have to open the door all over again. & it seems locked #gtchat
- 11:13 pm **DeborahMersino:** RT @Frazzlld: @dafna_m Yes, it is also a lack of understanding and training #gtchat
- 11:14 pm **DeborahMersino:** Q2: Without the funding behind the mandates (which allows 4 training), it can be useless. I think it's necessary, but complex. #gtchat
- 11:14 pm **dafna_m:** Again, I think broadly, let's connect w/the LD community and others and get mandated support. #gtchat
- 11:14 pm **Frazzlld:** Much can be done for little money if only people recognised the real needs of these kids #gtchat
- 11:14 pm **DeborahMersino:** Q2: I also wonder how much our overall educational systems (in our ind. countries) affect GT. Edreform needed 4 all. #gtchat
- 11:15 pm **LesLinks:** @deepwaterscoach I know.. so depressing.. hard enough to have got it in the first place.. #gtchat
- 11:15 pm **DeborahMersino:** RT @dafna_m Again, I think broadly, let's connect w/the LD community and others and get mandated support. #gtchat /agree!

- 11:15 pm **Dazzlld:** Q2 What needs to be mandated is comprehensive teacher training as part of primary teaching qualification, the rest would follow #gtchat
- 11:15 pm **dafna_m:** We have GT prog's in our pub schools but not enough space for kids and teachers poorly trained. #gtchat
- 11:16 pm **deepwaterscoach:** Q2 GT is the hidden special needs category. How much do we mandate for special needs on the other end? #gtchat
- 11:16 pm **Frazzlld:** @DeborahMersino No doubt ed reform is needed for all and would benefit GT. #gtchat
- 11:16 pm **Ijconrad:** @deepwaterscoach There's light at end of the nat'l US budget, but you have to scour the new ed bills. I'll get info out this wk #gtchat
- 11:16 pm **Frazzlld:** RT @Dazzlld: Q2 What needs to be mandated is comprehensive teacher training as part of primary teaching qualification, the rest would follow #gtchat
- 11:16 pm **KTVee:** Q2: It should be a law; take away a child's IEP, there's a lawsuit; take away g/t services... some don't blink an eye #gtchat
- 11:16 pm **DeborahMersino:** Q2: Back to mandating/civil rights, it seems that otherwise, gifted are left to suffer silently (unless can afford private). #gtchat
- 11:16 pm **dafna_m:** Yes! RT @deepwaterscoach: Q2 GT is the hidden special needs category. How much do we mandate for special needs on the other end? #gtchat

- 11:17 pm **deepwaterscoach:** @Ijconrad I appreciate you doing that. I'll believe it when I see it! #gtchat

11:17 pm **DeborahMersino:** @ljconrad - will be interested in what you wrestle up. #gtchat

11:17 pm **ljconrad:** Teacher training imperative. Would go a long way to cooperation & dispelling myths #gtchat

11:17 pm **FrazzIld:** @KTvee Is that why there's reluctance to classify GT as a special need, perchance? #gtchat

11:18 pm **FrazzIld:** RT @deepwaterscoach: RT @ljconrad: Teacher training imperative. Would go a long way to cooperation & dispelling myths #gtchat

11:18 pm **dafna_m:** The principal of my kids school offers training to pub school teachers on GT ed. Very few choose to attend. #gtchat

11:18 pm **KTvee:** @FrazzIld I think so; keeping it flexible means ppl can choose to do what they wish; and that isn't always a good thing #gtchat

11:18 pm **deepwaterscoach:** We have a mandate here in Colorado, but how many districts actually follow it? How many schools even know who their gifted are? #gtchat

11:18 pm **jofrei:** RT @DazzIld: Q2 mandate comprehensive teacher training as part of primary teaching qualification, the rest would follow #gtchat

11:19 pm **DeborahMersino:** Q3: What are they/gov/ed leaders are afraid of? Innovation? Critical thinking? #gtchat

11:19 pm **deepwaterscoach:** RT @DeborahMersino: @DeepWatersCoach - We get pennies on the dollar...so short-sighted//so true! #gtchat

11:19 pm **dafna_m:** @deepwaterscoach even identified gifted can't get into programs b/c of lack of space. My story... #gtchat

11:19 pm **ljconrad:** PA has had mandate since 1940's - unfunded! #gtchat

11:19 pm **DeborahMersino:** @dafna_m - so sad. I'm grateful that teachers in this district are well-trained/supported. #gtchat

11:20 pm **deepwaterscoach:** It's almost like we need special forces teachers in the workforce--undercover educators who can ID gifted an advocate for kids. #gtchat

11:20 pm **dafna_m:** Q3 afraid is the wrong term, with everyone in charge running for office during their terms, no time for change #gtchat

11:20 pm **deepwaterscoach:** RT @dafna_m: @deepwaterscoach even identified gifted cant get into programs b/c of lack of space. My story...//that's just wrong! #gtchat

11:20 pm **ljconrad:** Leaders can afford to send their kids to elite, private schools #gtchat

11:20 pm **DeborahMersino:** @DeepWatersCoach - And ultimately (even in CO), it's the local school board who allocates monies/matching funds (some won't). #gtchat

11:20 pm **LesLinks:** This is same for Ireland... once they were manuvered out from under the SN banner.. they were/are lost... I have no hope, #gtchat

11:20 pm **FrazzIld:** Q3. Leaders want to be politically correct...we are all "equal". Can't possibly recognise one group as smarter. #gtchat

11:20 pm **deepwaterscoach:** RT @ljconrad: PA has had mandate since 1940s - unfunded!//and we're back to the \$\$ issue #gtchat
