4:26 **DeborahMersino:** Tip6: Don't direct; respect their lead regarding interests. SO critical! #gtchat

4:26 **deepwaterscoach:** Hi, all! Spending my last free day w/ DD before she goes back to school. I hope #gtchat is going great (I'm sure it is). Miss you guys!

4:26 **ryflinn:** #gtchat why are we waiting till high school when studies show more acceptable to learn eraly levels

4:26 **DeborahMersino:** @ryflinn - So agree! It's one of my later tips! It's an absolute must and an opportunity we're gravely missing. #gtchat

4:27 **teachagiftedkid:** #gtchat Having 2 now in the workforce and being very involved in their ed my tip would be lots of exposure to lots of different things.

4:27 **ljconrad:** @DeborahMersino unless they want to do something stupid ... lol #gtchat

4:27 **laughingatchaos:** @DeborahMersino Agreed re Tip6. DH & I are musicians, son1 is an engineer in the making. Following his lead, tho hard. #gtchat

4:27 **asynschlrnsfnd:** @GiftedHF Re: letting #gifted kids think outside box / be creative = easy! That's what drives many. Educators should understand this #gtchat

4:27 **LesLinks:** Cybraryman1's educational chats on twitter... could be useful for those looking for help with advanced Tech in classroom or home #gtChat

4:27 **mygiftedgirl:** @DeepWatersCoach Good for you! #gtchat ENJOY!!

4:27 **laughingatchaos:** @ryflinn ALWAYS comes down to money and state testing. #gtchat

4:27 **GiftedHF:** #gtchat Dare I say, school system can learn a lot abt this topic from #homeschool ? I'd love to build more bridges, apply lessons to system

4:27 **ljconrad:** @deepwaterscoach We miss you too! ttyl #gtchat

4:27 **ryflinn:** #gtchat I love what they are doing in STEM schools

4:28 **DeborahMersino:** Tip7: Ensure basics are in place, but cultivate "artist" mentality toward work/generosity, creativity. Forget salaries/security. #gtchat

4:28 **teachagiftedkid:** #gtchat Children will take in everything we give them and begin learning to think critically about what they like and are good at.

- 4:28 pm **asynschlrnsfnd:** @DeepWatersCoach Enjoy your day with your DD! #gtchat
- 4:28 pm **atxteacher:** Can an educational SYSTEM be as flexible as charters or homeschool? I think it's the flexibility that may make them so different #gtchat
- 4:28 pm **GiftedHF:** @laughingatchaos What makes you think I'm not already? ;-) #homeschool #gtchat
- 4:29 pm **LesLinks:** RT @ryflinn: #gtchat I love what they are doing in STEM schools. Should be rolled out to all schools, adapted for all subjects #gtChat
- 4:29 pm **laughingatchaos:** @GiftedHF LOL! Ok, I'd go MORE insane. ;) #gtchat
- 4:29 pm **teachgiftedkid:** #gtchat Being flexible to adapt to changing job demands, changing technology is vital to adapting to future job. Give them tools&skills.
- 4:29 pm **ryflinn:** #gtchat students must learn how to fail in order to create opportunities for themselves
- 4:29 pm **LesLinks:** @deepwaterscoach.... ya... I miss you too ;-S #gtChat
- 4:30 pm **atxteacher:** @ryflinn failing is very important, but it's very hard to let your child/student experience #gtchat
- 4:30 pm **DeborahMersino:** @atxteacher Interesting ? regarding flexibility relative 2 learning/We're so entrenched now in standards/testing. Hard 2 see change. #gtchat
- 4:30 pm **laughingatchaos:** @ryflinn GT kids&failure+perfectionism=ay yi yi...difficult and necessary lesson, but hard on everyone involved. #gtchat
- 4:30 pm **asynschlrnsfnd:** @ryflinn re: why are we waiting till high school<--also my earlier criticism for Gates, who suppts HS and early #ed but no middle #gtchat
- 4:30 pm **ljconrad:** We need all types of schools, public, charter, cyber, home - what works best for your child ... meets their learning style #gtchat
- 4:30 pm **LesLinks:** Resilance... ability to bounce back and try something new/new way... #gtChat
- 4:31 pm **asynschlrnsfnd:** @laughingatchaos Re: trust me, I'd #homeschool if I wouldn't go insane. <-- HS'ing can remove some of the insanities of school. #gtchat
- 4:31 pm **GiftedHF:** @laughingatchaos #gtchat Not saying all shld #homeschool, but big pic is success in 'new world' & lessons to be learned for school system
- 4:31 pm **asynschlrnsfnd:** RT @DeborahMersino: Tip7: Ensure basics are in place, but cultivate "artist" mentality toward work/generosity, creativity. Forget salaries/security. #gtchat
- 4:31 pm **DazzlId:** @ryflinn I agree; we need to let our kids see failure as part of growth and adaptability #gtchat
- 4:31 pm **DeborahMersino:** Tip8: Educators/parents can encourage kids to look backwards/forwards re change/evolution of jobs. Ask them what will change/how? #gtchat
- 4:31 pm **theboysstore:** Good morning - showing up late - so sorry - I'm Suzanne - parent advocate for the GT program in my county & mother of a gifted girl #gtchat
- 4:31 pm **jofrei:** I know of a couple of young ones who began their careers by interacting with mentors in their passion field via internet #gtchat

4:32 pm **laughingatchaos:** @asynschlrnsfnd But not the insanities of a stubborn 2e son. ;) But it's still on the table if necessary #gtchat

4:32 pm **atxteacher:** @DeborahMersino standards/testing r about measuring success. we don't value qualitative data much, only b&w numbers #gtchat

4:32 pm **cybraryman1:** We have to think outside the school (with tech) &connect students with experts in the fields they are intereseted in #gtchat

4:32 pm **ljconrad:** Failure in a culture of hyper-testing mode can be devastating to futures unfortunately #gtchat

4:32 pm **GiftedHF:** @laughingatchaos That's how I feel abt school system. Rather work w my challenging kids than fight broken system... altho I do both #gtchat

4:32 pm **asynschlrnsfnd:** RT @ryflinn: #gtchat students must learn how to fail in order to create opportunities for themselves

11:16 **jofrei:** @laughingatchaos Yes lack for continuity can be huge problem #gtchat

11:16 **laughingatchaos:** @ljconrad Can't get 504 or IEP. Costs district \$\$ to implement and they're hurting for funds. #gtchat

11:16 **DeborahMersino:** @AsynchSchlrsFnd - Agree wholeheartedly. Heart goes out to all parents of 2E who do so much, including \$, to support. #gtchat

11:16 **ljconrad:** Still, teachers just complain that 504s are just excuses for lazy students #gtchat

11:16 **DeborahMersino:** RT @jofrei: @laughingatchaos Yes lack for continuity can be huge problem #gtchat
