- 4:17 pm **Ijconrad:** @DeborahMersino yep!!!! #gtchat
- 4:17 pm **GiftedPhoenix:** @DeborahMersino Can you say briefly how they've changed since the last iteration? #gtchat
- 4:17 pm **eshwaranv:** @DeborahMersino Hi! #gtchat
- 4:17 pm **cybraryman1:** @DeborahMersino I shared Davidson Institute: Profiles of the gifted and talented: <http://bit.ly/cVBVHd> #gtchat
- 4:18 pm **jofrei:** @DeborahMersino I am seeing your posts but it is quite slow coming up #gtchat
- 4:18 pm **DeborahMersino:** Typically, gifted are differentiated on the basis of difference in intellectual abilities, talents or interests. #gtchat #gtchat
- 4:18 pm **halleyrebecca:** Alright, reintroducing. Halley here - marketing director and alumna from @seaburyschool for gifted students in Tacoma, Wash. #gtchat
- 4:18 pm **FrazzIld:** @DeborahMersino Phew! So glad you're back. Catherine, parent and advocate here in gloomy Wicklow, Ireland. tweetchat problematic... #gtchat
- 4:18 pm **DeborahMersino:** These profiles hone in on the behavior, feelings and needs. #gtchat #gtchat
- 4:18 pm **GiftedPhoenix:** #gtchat Found various resources on the ALPS publishing site - <http://bit.ly/bRjDtx>
- 4:19 pm **jofrei:** RT @DeborahMersino: link that will take you to Ingeniosus, where the latest matrix/Profiles are included. <http://bit.ly/9IT7v> #gtchat
- 4:19 pm **DeborahMersino:** If for some reason, my connection goes down, we'll regroup at 7pm and revisit. Again, sorry for the issue! #gtchat #gtchat
- 4:19 pm **asynschlrfsnd:** I think the 1 @DeborahMersino gave is updated ths year. RT @cybraryman1: I shared Davidson Institute: Profiles: <http://bit.ly/cVBVHd> #gtchat
- 4:20 pm **DeborahMersino:** @cybraryman1 - TY. The profiles have been tweaked a bit since then, but the Davidson article offers excellent insights. #gtchat
- 4:20 pm **SeaburySchool:** We will sit in staff meetings and plug individual students into the matrix. #gtchat
- 4:20 pm **DeborahMersino:** @GiftedPhoenix - I just received the new version last night/have not had a chance to completely discern yet. #gtchat
- 4:21 pm **asynschlrfsnd:** RT @DeborahMersino: Here is a link to the latest #gifted matrix/Profiles From Dr. Betts are included. <http://bit.ly/9IT7v> #gtchat

- 4:23 pm **asynschlrfsnd:** RT [@eshwaranv](#): [@DeborahMersino](#) Twitter is getting sluggish and is adding to connection woes. <=Oddly, TweetDeck is peppy! #gtchat
- 4:23 pm **GiftedPhoenix:** #gtchat I should say at this stage that I was relieved to see that Betts himself says this is a model and not a diagnostic tool
- 4:23 pm **DeborahMersino:** I know we're running a bit behind, but I'll share just a tidbit on each profile. Let me know if recognize your child/student/s. #gtchat
- 4:24 pm **jofrei:** [@DeborahMersino](#) I heard Dr Betts speak in Aus and it was really excellent! #gtchat
- 4:24 pm **halleyrebecca:** I hate to say it, but I see myself in the successful category just as often as autonomous. It's sometimes to easy to skate by. #gtchat
- 4:24 pm **DeborahMersino:** As many as 90 percent of IDed GT students are Type 1s (intriguing!). These are kids that have "learned the system." #gtchat
- 4:24 pm **ljconrad:** [@peterflomLD](#) Welcome! The transcript at the end will be very useful to review info given during chat. :) #gtchat
- 4:24 pm **EvaMayla:** Hi, Eva here. From Monterrey Mexico. Advocate and Mom of a 9 year old gtkid and 1 year old INTENSE baby. #gtchat
- 4:24 pm **BCGifted:** RT [@DeborahMersino](#): Here are the 6 types: The Successful, The Challenging, The Underground, The Dropouts, The Double-labeled & The Autonomous Learner #gtchat
- 4:25 pm **DeborahMersino:** Before I forget - NOTE: children/youth should not be defined by anyone in the following categories. Simply should be used a guides! #gtchat
- 4:25 pm **eshwaranv:** [@AsynchSchlrfsFnd](#) Tweetdeck has stopped streaming tweets 10 minutes back. :( #gtchat
- 4:25 pm **ljconrad:** <--- Autonomous learner and dam proud of it! #gtchat
- 4:26 pm **GiftedPhoenix:** [@AsynchSchlrfsFnd](#) New version of Tweetdeck with instant updating just released here! #gtchat
- 4:26 pm **eshwaranv:** RT [@DeborahMersino](#): As many as 90 percent of IDed GT students are Type 1s (intriguing!). These are kids that have "learned the system." #gtchat
- 4:26 pm **heymrsmith:** GT profiles have not changed. Research by Dr. Neihart has clarified behaviors and needs #gtchat
- 4:26 pm **DeborahMersino:** Type I - The Successful students score high on tests, know how to display appropriate behavior. Eager for approval. #gtchat
- 4:26 pm **asynschlrfsnd:** RT [@eshwaranv](#): [@AsynchSchlrfsFnd](#) Tweetdeck has stopped streaming tweets 10 minutes back. :( <=Bummer! I did upgrade mine this a.m. #gtchat
- 4:26 pm **DeborahMersino:** [@EvaMayla](#) - Welcome! We got started late due to connection issues on my end! Glad you're here. I'm going through the profiles. #gtchat
- 4:27 pm **FrazzIld:** RT [@GiftedPhoenix](#): I was relieved to see that Betts himself says this is a model and not a diagnostic tool / me too #gtchat

Transcript for #gtchat - What the Hasht...

4:27 pm

**peterflomLD:** ~~~~~ Gifted and LD and all kinds mixed up #gtchat

4:27 pm

**DeborahMersino:** @ljconrad - You go girl. I'm still working on it! #gtchat

4:27 pm

**peterflomLD:** @deborahmersino Type 1 is DEFINITELY not me! :- ) #gtchat

4:28 pm

**eshwaranv:** RT @DeborahMersino: Type I - The Successful students score high on tests, know how to display appropriate behavior. Eager for approval. #gtchat

4:28 pm

**asynschlrfsnd:** RT @heymrsmith: GT profiles have not changed. Research by Dr. Neihart has clarified behaviors and needs <=Thanks for this! #gtchat

4:28 pm

**DeborahMersino:** Type I children are expected to "make it on their own." However, they often become bored w/school. Fail to learn autonomy skills. #gtchat

4:28 pm

**GiftedPhoenix:** @DeborahMersino 'a theoretical concept that can provide insights not a diagnostic classification model' - #gtchat

4:29 pm

**ljconrad:** Excellent framework to discuss gifted though! ;) #gtchat

4:29 pm

**peterflomLD:** Labels can be useful, but boxes are for groceries (I am liking Dr. Betts so far) #gtchat

4:29 pm

**DeborahMersino:** Type II is The Creative. Highly creative, often bored/frustrated/impatient/defensive, unsure about social roles. #gtchat

4:30 pm

**BCGifted:** #gtchat Type 1 - definitely not mine... but the "fail to learn autonomy skills" does apply at the moment (hopefully they'll outgrow that)

4:30 pm

**DeborahMersino:** Type II Creative -More psychologically vulnerable, strong motivation to follow inner convictions, high energy, want to right wrongs. #gtchat

4:30 pm

**DazzlId:** I can see some combination of types in my kids. Very interesting profiles. #gtchat

4:30 pm

**SimonsRock:** @SimonsRock students and alums, we're often asked if you are all geniuses? Super #gifted? Help us describe you. #gtchat

4:31 pm

**cybraryman1:** Teachers have to be more cognizant and work to enhance their student's creativity #gtchat

4:31 pm

**SeaburySchool:** Re: Type II heightened sensitivity. YES. #gtchat

4:31 pm

**asynschlrfsnd:** RT @peterflomLD: Labels can be useful, but boxes are for groceries (I am liking Dr. Betts so far) #gtchat

4:31 pm

**cybraryman1:** RT @DazzlId: I can see some combination of types in my kids. Very interesting profiles. #gtchat So true.

4:31 pm

**BCGifted:** #gtchat Type II - ah! this is my daughter :)

4:31 pm

**GiftedPhoenix:** #gtchat Type 1 = conformist high achievers, passive teacher-pleasers

4:31 pm

**eshwaranv:** My sister is a combination of Types I and II. #gtchat

4:31 pm

**DeborahMersino:** @peterflomLD Yes! I like approach as well. It demonstrates we're more than just our intellectual abilities/need affective spprt #gtchat

4:31 pm

**asynschlrfsnd:** RT @DeborahMersino: Type I - The Successful students score high on tests, know how 2 display appropriate behavior. Eager 4 approval. #gtchat

4:31 pm

**0Quest0:** Yep - Type II sounds familiar here! #gtchat

4:31 pm

**FrazzId:** twitter and tweetchat painfully slow at the moment. Think I will just have to wait for the #gtchat transcript :-(

4:32 pm

**0Quest0:** RT @frazzId: twitter and tweetchat painfully slow at the moment. Think I will just have to wait for the #gtchat transcript :-(

4:32 pm

**asynschlrfsnd:** RT @DeborahMersino: Type I childrn R expected 2 "make it on their own" but oft become bored w/school. Fail 2 learn autonomy skills. #gtchat

4:32 pm

**DeborahMersino:** Type 3 - The Underground. Desire to belong socially, feel unsure/pressured, unsure of their right to their emotions. #gtchat

4:32 pm

**asynschlrfsnd:** RT @DeborahMersino: Type II is The Creative. Highly creative, often

bored/frustrated/impatient/defensive, unsure about social roles. #gtchat

- 4:32 pm **BCGiftd**: RT @DazzlId I can see some combination of types in my kids. Very interesting profiles. #gtchat <--- me too!
- 4:33 pm **0Quest0**: Maybe that Atlantic storm that's headed our way is messing up Twitter?? #gtchat
- 4:33 pm **asynschlrfsnd**: RT @DeborahMersino: Type II Creative -More psych'ly vulnerable, strong motivatn 2 follow inner convictns, hi enrgy, wnt 2 rt wrongs. #gtchat
- 4:33 pm **DeborahMersino**: Type 3: The Underground - Ambivalent about achievement, view achievement behaviors as betrayal of social group. #gtchat
- 4:34 pm **heyMrsmith**: The label for Creative was "the challenging" in the older version of Profiles #gtchat
- 4:34 pm **GiftedPhoenix**: #gtchat Type 2 = sensitive, rebellious, questioning, moody, stubborn (not to be confused with all teenagers!)
- 4:34 pm **peterflomLD**: #gtchat Maybe I am in 4, 5, or 6 .... waiting with bated breath
- 4:34 pm **halleyrebecca**: Type I kids stay under the radar - know all too well how to toe the line. I'm thinking of middle level gifted girls in particular. #gtchat
- 4:34 pm **asynschlrfsnd**: Sorry to see you go! => RT @Frazzld: Think I will just have to wait for the #gtchat transcript :-)
- 4:34 pm **cybraryman1**: RT @GiftedPhoenix: #gtchat Type 2 = sensitive, rebellious, questioning, moody, stubborn (not to be confused with all teenagers!)
- 4:34 pm **eshwaranv**: @0Quest0 This seems to be a global phenomenon. Incidentally, a storm is about to hit Chennai tomorrow. :) #gtchat
- 4:34 pm **asynschlrfsnd**: RT @DeborahMersino: Type 3 - The Underground. Desire to belong socially, feel unsure/pressured, unsure of right to their emotions. #gtchat
- 4:34 pm **DeborahMersino**: Type 4: The At-Risk: Resentful & angry. Depressed. Reckless & manipulative, defensive, unaccepted. Unrealistic expectations. #gtchat
- 4:34 pm **halleyrebecca**: Don't see as many Type III @seaburyschool because, well, the social group is made up of #gifted kids like themselves. #gtchat
- 4:35 pm **asynschlrfsnd**: RT @DeborahMersino: Type 3: The Underground - Ambivalent about achievement, view achievement behaviors as betrayal of social group. #gtchat
- 4:35 pm **peterflomLD**: @giftedphoenix #gtchat that version of type 2 fits me better than Deborah's version of type 2
- 4:35 pm **LisaDSB**: I started as a Type I, switched to a Type 3 in middle school, and am now a Type 6, thanks to my kids who are autonomous learners. #gtchat
- 4:35 pm **SimonsRock**: #gtchat is talking about 6 types of learners: Successful, Challenging, Underground, Dropouts, Double-labeled & Autonomous. Now we're curious
- 4:35 pm **malcolmbellamy**: RT @cybraryman1: Teachers have to be more cognizant and work to enhance their student's creativity #gtchat
- 4:35 pm **DeborahMersino**: RT @GiftedPhoenix #gtchat Type 2 = sensitive, rebellious, questioning, moody, stubborn (not to be confused with all teenagers!)<= :-)
- 4:36 pm **asynschlrfsnd**: RT @DeborahMersino: Type 4: At-Risk: Resentful, angry, depressed, reckless, manipulativ, defensv, unacceptd. Unrealistic expectations #gtchat
- 4:36 pm **halleyrebecca**: I am definitely type 6, but can identify with 1 as well - knowing exactly what you need to do to succeed. #gtchat
- 4:36 pm **ljconrad**: If people are friends, they can follow their regular feed to some extent. Just sayin' ... #gtchat
- 4:36 pm **GiftedPhoenix**: #gtchat Type 3 = hides giftedness to conform with peers - longs to be liked - not a strong sense of self or self-worth
- 4:36 pm **DeborahMersino**: Type 4 - The Underground is resistive to authority, not motivated by teacher

- 4:37 pm **eshwaranv:** RT @DeborahMersino: Type 4 - The Underground is resistive to authority, not motivated by teacher rewards, anti-social. Creates crisis & disruptions. #gtchat
- 4:37 pm **AudreyFG:** @DeborahMersino Sorry to be joining late! What an important discussion. #gtchat
- 4:37 pm **cybraryman1:** The million dollar question: So with all these types & combinations how do you deal with the children? #gtchat
- 4:37 pm **DeborahMersino:** Type 7: Twice/Multi-Exceptional: Learned helplessness, intense frustration & anger, mood disorders, prone to discouragement. #gtchat
- 4:37 pm **BCGifted:** #gtchat I assumed DD was just 2e (we're looking at OCD & ADD) but holy cow could she model the "creative" profile!!
- 4:38 pm **peterflomLD:** #gtchat Type 4 fits me,
- 4:38 pm **eshwaranv:** RT @DeborahMersino: RT @GiftedPhoenix #gtchat Type 2 = sensitive, rebellious, questioning, moody, stubborn (not to be confused with all teenagers!) <= :-)
- 4:38 pm **EvaMayla:** What I don't really understand (lost in translation) is that this profiles are not diagnostic but models. How do we use them? #gtchat
- 4:38 pm **GiftedPhoenix:** #gtchat Type 4 = at risk of dropout, so handle with especial care and attention
- 4:38 pm **DeborahMersino:** @cybraryman1 - Excellent question. Betts/Neihart offer specific recommendations for home/school support. Powerful! #gtchat
- 4:38 pm **Ijconrad:** RT @cybraryman1: The million dollar question: So with all these types & combinations how do you deal with the children? #gtchat
- 4:39 pm **peterflomLD:** @deborahmersino #gtchat typ 7? Is that 5? Definitely fits
- 4:39 pm **halleyrebecca:** @EvaMayla We use the profiles more to understand the different groups of kids and how they learn. #gtchat
- 4:39 pm **BCGifted:** @DeborahMersino #gtchat Interesting! The "learned helplessness" is the only one that fits DS, and only sometimes (we think he's SPD)
- 4:39 pm **asynschlrfsnd:** RT @DeborahMersino: Type 4:Underground=resistive to authrty, not motivatd by tcher rewards, anti-social. Creates crisis, disruptions #gtchat
- 4:39 pm **GiftedPhoenix:** #gtchat - Type 5 = a bit of a catch-all to be honest, for multiple exceptionalities - gifted plus something else
- 4:40 pm **halleyrebecca:** Definitely have Type 5s. Interestingly, we have had a number of kids come to us diagnosed as autistic or other .. when they're not. #gtchat
- 4:40 pm **0Quest0:** @DeborahMersino These descriptions really helpful #gtchat
- 4:40 pm **asynschlrfsnd:** RT @DeborahMersino: Type 7 Twice/Multi-Exceptnal: Learned helplessness, frustration & anger, mood disorders, prone to discouragement. #gtchat
- 4:40 pm **DeborahMersino:** Type 5 sorry!: Twice/Multi-Exceptional: Learned helplessness, intense frustration & anger, mood disorders, prone to discouragement. #gtchat
- 4:40 pm **halleyrebecca:** Educators who don't understand gifted kids are often too eager to plug them into a more known category. I.e. autistic, or other. #gtchat
- 4:40 pm **cybraryman1:** This is like taking a psychology course where you identify with a lot of these characteristics #gtchat
- 4:40 pm **halleyrebecca:** When they get to a place that understands them, many of the perceived difficulties vanish. #gtchat
- 4:41 pm **peterflomLD:** #gtchat So far, I am type 4 and 5.
- 4:41 pm **EvaMayla:** @halleyrebecca Thank you! #gtchat
- 4:41 pm **asynschlrfsnd:** RT @DeborahMersino: Type 5 sorry!: <=Whew, thought that was more twitter weirdness! #gtchat

Transcript for #gtchat - What the Hasht...

- 4:41 pm **ljconrad:** Signing off! Back to work! :( Excellent discussion. Hope to see everyone @7PM  
ET! #gtchat
- 4:41 pm **eshwaranv:** Interesting -> RT @cybraryman1: This is like taking a psychology course where you identify with a lot of these characteristics #gtchat
- 4:41 pm **DeborahMersino:** Type 6: Autonomous Learner: Self-confident, self-accepting, optimistic, hold incremental view of ability, ambitious/excited #gtchat
- 4:41 pm **eshwaranv:** RT @DeborahMersino: Type 6: Autonomous Learner: Self-confident, self-accepting, optimistic, hold incremental view of ability, ambitious/excited #gtchat
- 4:41 pm **GiftedPhoenix:** #gtchat - Type 6 = hurrah, shangri la - what successful implementation of the ALM should secure....according to the theoretical model
- 4:42 pm **DeborahMersino:** @halleyrebecca - So true. And given the intensities of #gifted, they often mis-diagnose!! #gtchat
- 4:42 pm **ljconrad:** RT @cybraryman1: This is like taking a psychology course where you identify with a lot of these characteristics #gtchat
- 4:42 pm **eshwaranv:** Ah.. Found my present self in type 6. #gtchat
- 4:42 pm **peterflomLD:** #gtchat OK, so, I am type 5 forever, but moved from type 4 to type 6 as I went from age 15 to 51
- 4:42 pm **DeborahMersino:** Type 6: Autonomous Learner: Willing to fail and learn from it. #gtchat
- 4:42 pm **asynschlrnsfnd:** RT @DeborahMersino: Type 6 Autonomous Lmr: Self-confidnt & -accepting, optimistic, hold incremntal view of ability, ambitious/excited #gtchat
- 4:42 pm **LisaDSB:** These profiles seem not to be innate, but created by the school environment or outside influences, IMO. Maybe focus s/b there. #gtchat
- 4:42 pm **eshwaranv:** RT @DeborahMersino: Type 6: Autonomous Learner: Willing to fail and learn from it. #gtchat
- 4:43 pm **LesLinks:** Hi folks... time change has caught me out... #gtchat
- 4:43 pm **jofrei:** @ljconrad Catch you later for happy hour! #gtchat
- 4:43 pm **DeborahMersino:** RT @eshwaranv Ah.. Found my present self in type 6. #gtchat <= good for you!
- 4:43 pm **BCGiftd:** @DeborahMersino #gtchat Hmm. This is DD too. She's a "type 2 & 5 combo"
- 4:43 pm **eshwaranv:** #gifted people shift from one type to the other. Highly influenced by their environment. #gtchat
- 4:43 pm **DeborahMersino:** I think the entire connection issue had me a bit frazzled. Be sure to check out the Matrix on my blog. Will do more justice!! #gtchat
- 4:43 pm **cybraryman1:** Tip: Download the latest version of TweetDeck. 36.1 (version 0.36) It is lightning quick #gtchat #edchat
- 4:43 pm **0Quest0:** So Type 6 is what we'd be hoping to guide the kids towards? #gtchat
- 4:43 pm **DazzlId:** Sorry, Twitter is so slow....I can't tweet, so I will follow up on transcript later. #gtchat
- 4:44 pm **eshwaranv:** Yes! It's fast! RT @cybraryman1: Tip: Download the latest version of TweetDeck. 36.1 (version 0.36) It is lightning quick #gtchat #edchat
- 4:44 pm **peterflomLD:** "Screwed up somehow, but not stupid" that's me (and title of book I am writing) #gtchat
- 4:44 pm **LesLinks:** RT @ljconrad: RT @cybraryman1: The million dollar question: So w/lthese types & combinations how do you deal with the children? #gtchat
- 4:44 pm **BCGiftd:** @DeborahMersino #gtchat Oh... you're so lucky!!! That's awesome :) I'm not quite there yet. Working on it...
- 4:44 pm **halleyrebecca:** Magic! RT @cybraryman1 Tip: Download the latest version of TweetDeck. 36.1 (version 0.36) It is lightning quick #gtchat #edchat
- 4:44 pm **GiftedPhoenix:** @georgebetts Hi George - welcome! #gtchat

- 4:44 pm **LesLinks:** RT @eshwaranv: #gifted people shift from one type to the other. Highly influenced by their environment. Agree totally w/you.. #gtchat
- 4:44 pm **DeborahMersino:** Twitter, twitter, why for art thou foresake thee? #gtchat
- 4:45 pm **jofrei:** I think I'm an autonomous learner but not keen on the failing bit! #gtchat
- 4:45 pm **FrazzIld:** RT @halleyrebecca: Educators who don't understand gifted kids are often too eager to plug them into a more known category. I.e. autistic, or other. #gtchat
- 4:45 pm **tucksoon:** RT @cybraryman1: Tip: Download the latest version of TweetDeck. 36.1 (version 0.36) It is lightning quick #gtchat #edchat
- 4:45 pm **DeborahMersino:** RT @0Quest0 So Type 6 is what we'd be hoping to guide the kids towards? #gtchat <= ultimately, yes. Supporting kids/adults along the way.
- 4:45 pm **EvaMayla:** @LesLinks Good night =) #gtchat
- 4:45 pm **0Quest0:** RT @deborahmersino: Twitter, twitter, why for art thou foresake thee? #gtchat < lol and agree!!
- 4:46 pm **asynchschrfsnd:** Ooh, I just finally read the full thing and realized this is a matrix for EDUCATORS. #gtchat
- 4:46 pm **GiftedPhoenix:** #gtchat George - If you're still there, how would you say the profiles have changed over the years?
- 4:46 pm **DeborahMersino:** @georgebetts - Welcome!! Twitter is a bit slow today. Happy you're here. #gtchat
- 4:46 pm **TheHooked:** RT @MeganLearner Tips for making classrooms a stress-free learning environment. <http://bit.ly/aNbcBH> #gtchat #el... <http://bit.ly/90f1xA>
- 4:46 pm **halleyrebecca:** Totally agree. RT @eshwaranv: #gifted people shift from one type to the other. Highly influenced by their environment. #gtchat
- 4:46 pm **LesLinks:** @eshwaranv I have seen vast changes on occassion.. often triggered by change of environment, meeting of their needs or 'shift' #gtchat
- 4:46 pm **DeborahMersino:** @georgebetts - Can you tell us why you decided to undertake the profiling? #gtchat
- 4:46 pm **0Quest0:** RT @halleyrebecca: Educators who don't understand gifted kids often too eager to plug them into more known category - autistic etc. #gtchat
- 4:46 pm **cybraryman1:** RT @halleyrebecca: agree. RT @eshwaranv: #gifted people shift from 1 type to the other. Highly influenced by their environment. #gtchat
- 4:47 pm **DeborahMersino:** @AsynchSchlrSnd - Actually if you look at the Matrix, you'll see a column on home support/healthy for whole being. #gtchat
- 4:47 pm **halleyrebecca:** @eshwaranv And being #gifted learn the system so much faster. I think T1s are created - once you figure out that you can work it ... #gtchat
- 4:47 pm **eshwaranv:** @LesLinks Yes. Happened to me. #gtchat
- 4:48 pm **GiftedPhoenix:** #gtchat @AnnBridgland You should be joining in!
- 4:48 pm **eshwaranv:** @halleyrebecca Shifting from Type I to VI seems ideal. #gtchat
- 4:48 pm **AnnBridgland:** @GiftedPhoenix Great #gtchat discuss. U R all describing children, end of!KeyQ what are we doing to provide for them? that's the shangri-la
- 4:48 pm **cybraryman1:** The key is that parents and teachers have to work together #gtchat
- 4:48 pm **halleyrebecca:** Definitely the most fluid move. RT @eshwaranv: @halleyrebecca Shifting from Type I to VI seems ideal. #gtchat
- 4:48 pm **LesLinks:** @eshwaranv Ditto, and many I know too... #gtchat
- 4:49 pm **eshwaranv:** I was somewhere between types II and III. My college made me shift to type VI. I guess the freedom did the trick. #gtchat
- 4:49 pm **asynchschrfsnd:** @DeborahMersino Their conclusions say research is 4 inservicing educators

- 4:49 pm **DeborahMersino:** @AnnBridgland - Support! Individualized, based upon their make-up and needs. #gtchat
- 4:50 pm **eshwaranv:** RT @DeborahMersino: @AnnBridgland - Support! Individualized, based upon their make-up and needs. #gtchat
- 4:50 pm **tonnet:** RT @cybraryman1: The key is that parents and teachers have to work together #gtchat
- 4:50 pm **cybraryman1:** RT @DeborahMersino: @AnnBridgland - Support! Individualized, based upon their make-up and needs. #gtchat
- 4:50 pm **asynschlrfsnd:** @DeborahMersino (That was from the 1988 article on the Davidson site, <http://bit.ly/cVBVHd>) #gtchat
- 4:50 pm **DeborahMersino:** @AsynchSchlrFnd - Correct, but he's presented to parent groups too. Recommends that parents utilize to support as well. #gtchat
- 4:50 pm **LesLinks:** @georgebetts Hi from across the great puddle... glad to have you here, even if twitter is running at snail speed!;-D #gtchat
- 4:50 pm **eshwaranv:** Very true. Understanding is the key. RT @georgebetts: Type 6 is the goal - needs support from parents and school #gtchat
- 4:50 pm **jofrei:** Youngest son wanted autonomy and was quite hard to teach - he wanted to learn it HIS WAY #gtchat
- 4:50 pm **0Quest0:** @LesLinks I nearly missed that too - just happened to glance at TweetChat and saw msg from @Frazzlid #gtchat
- 4:51 pm **GiftedPhoenix:** #gtchat I can see the different profiles are helpful to facilitate discussion - a stepping stone towards true personalisation...
- 4:51 pm **0Quest0:** @eshwaranv That's encouraging to hear from us parents of other types! #gtchat
- 4:51 pm **DeborahMersino:** I would love to have you all review the Matrix this week and share more about your conclusions/learning. #gtchat
- 4:51 pm **asynschlrfsnd:** @DeborahMersino No doubt that this is helpful to parents; just sayin', education focused. Was point of helpful clarification 2 me. #gtchat
- 4:52 pm **EvaMayla:** RT @halleyrebecca: Educators who dont understand gifted kids.. //so true here, thats why I feel its so important to dispel myths "( #gtchat
- 4:52 pm **DazzlId:** @eshwaranv Good to know that...gives me hope that my kids could make the same shift! #gtchat
- 4:52 pm **DeborahMersino:** @GiftedPhoenix - Yes, you're right on! #gtchat
- 4:52 pm **heymrsmith:** I see the greatest factors between T1 and T6 are self-motivation and taking risks #gtchat
- 4:52 pm **LesLinks:** RT @DeborahMersino: @AnnBridgland - Support! Individualized, based upon their make-up & needs. Exactly... needs based, a/timeneeded #gtchat
- 4:52 pm **GiftedPhoenix:** @DeborahMersino You can't set us HOMEWORK! #gtchat
- 4:52 pm **eshwaranv:** @georgebetts That's comforting! #gtchat
- 4:53 pm **eshwaranv:** :-) RT @GiftedPhoenix: @DeborahMersino You can't set us HOMEWORK! #gtchat
- 4:53 pm **halleyrebecca:** @georgebetts Welcome to #gtchat!
- 4:53 pm **0Quest0:** RT @0quest0: @eshwaranv That's encouraging to hear from us parents of other types! #gtchat Sorry - "for" not "from"
- 4:53 pm **asynschlrfsnd:** Wonderful to have you join! => RT @georgebetts: Hi! I was just able to sign on. Thank you for the interest in Profiles #gtchat
- 4:53 pm **eshwaranv:** @georgebetts Great meeting you here on Twitter. Welcome to #twitter and #gtchat

Transcript for #gtchat - What the Hasht...

**GiftedPhoenix:** @georgebetts it gets easier with practice: #gtchat

4:53 pm **DeborahMersino:** I have to say, being able to study under @georgebetts has truly been an honor and privilege. #gtchat

4:53 pm **eshwaranv:** @0Quest0 Got it. :) #gtchat

4:54 pm **LisaDSB:** #gtchat I think more gifted would start at Type VI if given the right learning environment from the get go. School situation is critical.

4:54 pm **0Quest0:** @DeborahMersino Good idea - will do. #gtchat

4:54 pm **AnnBridgland:** @GiftedPhoenix I am trying to join in #gtchat!

4:54 pm **asynschlrfsnd:** ROTFL! => RT @GiftedPhoenix: @DeborahMersino You can't set us HOMEWORK! #gtchat

4:54 pm **DeborahMersino:** @georgebetts - Twitter is normally NOT this slow! Unusual! #gtchat

4:54 pm **halleyrebecca:** I feel like I've been half-skating my whole life - even in college, I knew what to do to get the grades ... #gtchat

4:54 pm **0Quest0:** RT @GiftedPhoenix: @DeborahMersino You cant set us HOMEWORK! <- lol #gtchat

4:54 pm **GiftedPhoenix:** @AnnBridgland Jolly good - I guess you just forgot the hashtag #gtchat

4:54 pm **DeborahMersino:** @LisaDSB - Environment is so vital - completely agree! #gtchat

4:55 pm **eshwaranv:** Parents can initiate the shift by listening to them and to their teachers. #gtchat

4:55 pm **LesLinks:** @GiftedPhoenix The homework? or the twitter? ; -D #gtchat

4:55 pm **cybraryman1:** @georgebetts My Twitter page to help get you started: <http://bit.ly/3GI9KW> My GT page: <http://bit.ly/cwrlYt> #gtchat

4:55 pm **eshwaranv:** Teachers can do so by listening to the kids and their parents. #gtchat

4:55 pm **AnnBridgland:** @DeborahMersino Yes. #gtchat Training for staff, practical and do-able. Theory good but oft too much over practice! Ts need practical stuff

4:55 pm **DeborahMersino:** We have just a few minutes left! Given Twitter's challenges/my own, I'll see if I can coax @georgebetts to help me w/a blog post. #gtchat

4:56 pm **GiftedPhoenix:** #gtchat @georgebetts What are your future plans for the Autonomous Learner Model? Any major developments to watch out for?

4:56 pm **eshwaranv:** Very very true -> RT @DeborahMersino: @LisaDSB - Environment is so vital - completely agree! #gtchat

4:56 pm **SeaburySchool:** @DeborahMersino Hmm shouldn't we continue on, to say ... 10 after due to late start? :) #gtchat

4:56 pm **jofrei:** RT @eshwaranv: @georgebetts Great meeting you here on Twitter. Welcome to #twitter and #gtchat

4:56 pm **eshwaranv:** @DeborahMersino Waiting for the blog post. #gtchat

4:56 pm **AnnBridgland:** @GiftedPhoenix Yup re the #gtchat hashtag!

4:56 pm **FrazzIld:** RT @georgebetts: Many gifted children are Type Six before school but lose it because of the system #gtchat

4:56 pm **asynschlrfsnd:** #homeschooling can foster switch back! RT @georgebetts: Many gifted children are Type 6 be4 school but lose it because of the system #gtchat

4:57 pm **LesLinks:** Validation of self from teachers has made a huge difference here, from completely unmotivated to very motivated, content and happy #gtchat

4:57 pm **DeborahMersino:** @AnnBridgland - What I like is that these profiles might help dispel myths. Theory, but also offers pragmatic support strategies. #gtchat

4:57 pm **peterflomLD:** #gtchat So, I guess I am half type 5 and half type 6 #gtchat

4:57 pm **eshwaranv:** @georgebetts Teachers must also aspire to take the initiative and identify them. #gtchat

- 4:57 pm **eshwaranv**: RT @georgebetts: Many gifted children are Type Six before school but lose it because of the system #gtchat
- 4:57 pm **EvaMayla**: @DeborahMersino @georgebetts Also for the assignment. May I translate the profiles to Spanish? #gtchat

Transcript for #gtchat - What the Hasht...

- 5:01 pm **0Quest0:** @LisaDSB Agree - hs for two years age 10-12 years and wondering if it's time to return while w8ing for sys to change. #gtchat
- 5:01 pm **halleyrebecca:** So many educators just don't have the training in differentiating for #gifted kids. Many of our teachers don't when they arrive. #gtchat
- 5:02 pm **GiftedPhoenix:** @DeborahMersino Or the claims you often hear about Steiner and Montessori? Similar type-6 aspirations in those models perhaps? #gtchat
- 5:02 pm **DeborahMersino:** Type IV - Parents can advocate for child at school/in community, provide support re to passion areas, allow friends of all ages. #gtchat
- 5:02 pm **peterflomLD:** Since I am LD and GT I have to be type 5, but also 6. #gtchat
- 5:03 pm **LesLinks:** @AnnBridgland Agreed... many many teachers would be appreciative if this kind of training were offered.. #gtchat
- 5:03 pm **DeborahMersino:** @halleyrebecca So true about teachers needing professional development relative to this/gifted myths. #gtchat
- 5:03 pm **0Quest0:** @asynschlrsfnd Definitely it wud be gr8 if more saw hs as part of solution for #gifted but still far from that. #gtchat
- 5:03 pm **asynschlrsfnd:** Oops, meant to say remodel education to incorporate the best elements of homeschooling, at least for these kids (curse the 140!) #gtchat
- 5:03 pm **LisaDSB:** #gtchat - it's the peer influence too that keeps kids "underground". Not cool 2B smart. That's not just a system problem.
- 5:03 pm **AudreyFG:** RT @DeborahMersino: Type 6: Autonomous Learner: Self-confident, self-accepting, optimistic, incremental view of ability, ambitious #gtchat
- 5:04 pm **GiftedPhoenix:** RT @LisaDSB: #gtchat - it's the peer influence too that keeps kids "underground". Not cool 2B smart. That's not just a system problem.
- 5:04 pm **cybraryman1:** All teachers need a lot more training for gifted, LD, ELL etc. #gtchat
- 5:04 pm **DeborahMersino:** I just have to applaud @georgebetts for giving this #gtchat a whirl, especially today of all days, when Twitter is painfully slow!
- 5:04 pm **0Quest0:** Big advantage of homesch while w8ing for sys to change is time and space to implement all the amazing strategies we KNOW work #gtchat
- 5:04 pm **asynschlrsfnd:** RT @GiftedPhoenix: RT @LisaDSB: #gtchat - Not cool 2B smart. That's not just a system problem<=Well, not ED system, but yes social system.
- 5:04 pm **joancoy:** RT @cybraryman1: The key is that parents and teachers have to work together #gtchat Definitely a winning situation for students.
- 5:05 pm **0Quest0:** ...while perhaps not cutting links completely with sch and helping to bring change about. #gtchat
- 5:05 pm **asynschlrsfnd:** I can see how this is helpful for adult learners too=>RT @georgebetts: We use them with older students so they understand themselves #gtchat
- 5:05 pm **LisaDSB:** @AsynchSchlrsFnd Thanks for clarifying - that's what I meant. It's definitely a societal failing. #gtchat
- 5:05 pm **heymrsmith:** Many GT progams are filled with Type 1's teachers need more training to understand what Gifted may look like #gtchat
- 5:05 pm **AudreyFG:** So important! RT @DeborahMersino: Type 6: Autonomous Learner: Willing to fail and learn from it. #gtchat
- 5:06 pm **DeborahMersino:** Final Question: How do each of you think you might utilize these Profiles, the new Matrix, in the weeks/months ahead? #gtchat
- 5:06 pm **halleyrebecca:** @georgebetts And to understand each other! #gtchat
- 5:06 pm **0Quest0:** RT @DeborahMersino: just have to applaud @georgebetts for giving this #gtchat a whirl esp 2day when Twitter is painfully slow! #gtchat
- 5:06 pm **DeborahMersino:** RT @heymrsmith Many GT progams are filled with Type 1's teachers need more training to understand what Gifted may look like #gtchat <=YES!!
