5:05 pm

**GiftedPhoenix:** #gtchat Q1. I would qualify - important to stay abreast of good #gifted research - there's a lot of poor stuff as our UK EPPI review proved

5:06 pm

- 5:06 pm **SeaburySchool:** Firefox and/or Twitter is giving me problems. May be tweeting primarily here rather than as @halleyrebecca today. #gtchat
- 5:06 pm **eshwaranv:** RT @DeborahMersino: Q1: Why is important to stay abreast of scholarly research? And how can you use it? #gtchat
- 5:06 pm **GiftedPhoenix:** #gtchat And to be frank, a lot of the research is so specialised as to be little more than dancing on the head of a pin (Aquinas I think)
- 5:06 pm **DeborahMersino:** Q1: Yes, having research can support advocacy efforts as @jofrei suggests. #gtchat
- 5:07 pm **SeaburySchool:** I think the most current example of staying abreast of current research here is the autism/vaccine link fraud. #gtchat
- 5:07 pm **dayswmd:** Renee in BC saying hello and checking out #gtchat this morning. Homeschooling my hgdd9.
- 5:07 pm **MSTA:** and to just overall be informed. you can make better decisions with information. #gtchat

- 5:08 pm **DeborahMersino:** Q1: Regarding how you can use it - supporting own learning, blog entries, papers - adds credible dimension/supports our growth #gtchat
- 5:08 pm **eshwaranv:** @DeborahMersino Current research is your window to the world. #gtchat
- 5:08 pm **GiftedPhoenix:** #gtchat You soon discover that some gifted research is ideology dressed up - eg some of the stuff on acceleration and tracking
- 5:08 pm **laughingatchaos:** Q1: Goes back to that old saying, Knowledge Is Power. #gtchat
- 5:08 pm **DeborahMersino:** @dayswmd - Welcome! We're glad you're here! Q1 (first question) is "Why is Scholarly Research Important?" #gtchat
- 5:08 pm **theboysstore:** Amen!! RT @eshwaranv: @DeborahMersino Current research is your window to the world. #gtchat
- 5:09 pm **ljconrad:** Hi, from Pittsburgh! Connection problems today! :( #gtchat
- 5:09 pm **eshwaranv:** Q1) Current research = What's happening and what more could happen. This is VERY important. #gtchat
- 5:09 pm **DeborahMersino:** Q1: Also, the more we reference empirical research theories in our tweets/posts/blogs/articles, the more impact we will have. #gtchat
- 5:09 pm **eshwaranv:** RT @DeborahMersino: Q1: Also, the more we reference empirical research theories in our tweets/posts/blogs/articles, the more impact we will have. #gtchat

- 5:10 pm **GiftedPhoenix:** #gtchat Policy makers like research that helps them to claim evidenced-based policy. Trouble is, lots of research isn't designed for that
- 5:10 pm **MSTA:** and the more credible we'll look! Always name your source! #gtchat

- 5:10 pm **DeborahMersino:** @ljconrad - SO glad you're with us! Q1: Why is it important to stay abreast of current scholarly research? How to use? #gtchat
- 5:11 pm **LisaDSB:** Q1 So much research these days, esp. in social science, seems thin and rushed to press. Imp to look closely b4 making conclusions. #gtchat

- 5:11 pm **ljconrad:** @laughingatchaos for heavens' sake; don't be pushy! lol #gtchat
- 5:11 pm **DeborahMersino:** @MSTA You bring up an excellent point. As advocates, it's essential that we cite scholarly works properly. APA style is likely best. #gtchat
- 5:11 pm **laughingatchaos:** Q1: Use research to just add to our breadth of knowledge. What does it hurt to be informed? #gtchat
