- 12:12 am **deepwaterscoacn:** @megwhoffman I agree. So subtle that we don't name it that. But kids internalize that feeling & extrapolate it to other part of life #gtchat
- 12:13 am **laughingatchaos:** @megwhoffman But when they make that connection with a teacher who CAN handle them, it's magic. We have that this year. :) #gtchat
- 12:13 am **LesLinks:** @DeborahMersino Ya... self searching.. do to much of that myself I think...;-D #gtchat
- 12:13 am **DeborahMersino:** Q1: We've talked about "too-muchness" before and I believe the intensities/OEs/asynchrony play a major part in this. #gtchat

- 12:23 am **padgets:** #gtchat in my class they isolate themselves, grades go down, attitudes get edgy, attendance becomes an issue
- 12:23 am **ByrdseedGifted:** #gtchat I was a GT kid, & didn't feel comfortable w/ myself til mid 20s. Turning point was understanding I simply _am _different!
