- 4:07 pm **SeaburySchool:** Let's go! #gtchat
- 4:08 pm **GiftedPhoenix:** #gtchat Some of the UK/Eire contingent may be thinking they're not due to start for another hour? (time change your end?)
- 4:08 pm **FlyontheCWall:** RT @cybraryman1: Twitterbrarian who is an advocate of quality education that involves students in learning process #gtchat
- 4:08 pm **GaryBrannigan:** Child psychologist from upstate, New York #gtchat
- 4:08 pm **DeborahMersino:** Q1: What do you think of a new SM campaign in the US directed to emphasize need for talent dev/gifted ed support? Details to come. #gtchat
- 4:09 pm **halleyrebecca:** @GiftedPhoenix Good call - we did have Daylight Savings on Sunday here. It was confusing last time, too! #gtchat
- 4:09 pm **DeborahMersino:** @GiftedPhoenix yes - daylight savings...thank you for letting me know. #gtchat

- 4:09 pm **GiftedPhoenix:** #gtchat As the sun isn't yet over the yardarm here, I'm beer free this evening - so extra alert!
- 4:09 pm **DeborahMersino:** Q1: This would involve all of us. Emails/posts/etc. would be directed at President Obama (yes US focus). #gtchat
- 4:10 pm **SeaburySchool:** Q1: I think we're all about the social media here! #gtchat
- 4:10 pm **DeborahMersino:** However, we could include an option to have emails/posts/etc. directed to Congress/Senate also. #gtchat
- 4:10 pm **SeaburySchool:** Q1: I wonder who/how many people run the @barackobama Twitter feed ... #gtchat
- 4:10 pm **teachagiftedkid:** #gtchat I've been noticing the call for more support. May be too late for local districts. No money to keep programs going or build new.
- 4:10 pm **jofrei:** @GiftedPhoenix I alerted the Aussies to new times - will change again for us after 8 April #gtchat
- 4:10 pm **SeaburySchool:** Q1: Would messages get read? By the right people? How can we ensure someone sees us. #gtchat
- 4:10 pm **GiftedPhoenix:** Q1. #gtchat Well we could help you by exemplifying how some countries are pulling ahead of the US by investing heavily in #gifted education
- 4:11 pm **DeborahMersino:** The idea would be that we would want to be coordinated in our messaging, in concert w/ work of NAGC and CEC. #gtchat
- 4:11 pm **DeborahMersino:** @GiftedPhoenix Love this. #gtchat
- 4:11 pm **GiftedPhoenix:** @jofrei We're also due to change on 27 March #gtchat
- 4:11 pm **DeborahMersino:** @SeaburySchool Great point. Related to Q2. #gtchat
- 4:11 pm **cybraryman1:** q1 A Blog Carnival is another way to spread the ideas #gtchat
- 4:11 pm **SeaburySchool:** @GiftedPhoenix I think that would send a clear message for sure. #gtchat
- 4:12 pm **DeborahMersino:** @teachagiftedkid Yes - Angie brings up a good point. Local school districts suffering as state cuts to ed have been dire. #gtchat
- 4:12 pm **teachagiftedkid:** #gtchat I've tried exemplifying other countries pulling ahead. Most I deal with are too involved in every day, local to see beyond.
- 4:12 pm **GiftedPhoenix:** RT @cybraryman1: q1 A Blog Carnival is another way to spread the ideas #gtchat
- 4:12 pm **DeborahMersino:** @cybraryman1 Can you say more about Blog Carnival? Do you mean a series of Blog Posts directed at the President/key const.? #gtchat
- 4:13 pm **Ron\_Peck:** #gtchat Hi all, am lurking but very interested in the topic.
- 4:13 pm **GiftedPhoenix:** @teachagiftedkid Yes - probably a more telling argument with federal government #gtchat
- 4:13 pm **DeborahMersino:** I want our efforts to be quite coordinated - and hopefully cull support from the CEC and NAGC. We need grassroots support/numbers #gtchat
- 4:13 pm **DeborahMersino:** @Ron\_Peck I'm grateful you are here. I'm a fan. #gtchat
- 4:13 pm **familysimpson:** RT @cybraryman1: q1 A Blog Carnival is another way to spread the ideas #gtchat
- 4:14 pm **GiftedPhoenix:** @DeborahMersino #gtchat is there an app to create a Twitter Petition?
- 4:14 pm **DeborahMersino:** Just so that everyone has the links, I'm going to post some of the more recent position papers/links to NAGC and CEC. #gtchat
- 4:14 pm **teachagiftedkid:** #gtchat I was just thinking 'grass roots' @deborahmersino But some feel their hands are tied by school district and/or state officials.
- 4:14 pm **ljconrad:** @DeborahMersino This is a great idea, but message needs to be well controlled. Very respectful. #gtchat

- 4:15 pm **DeborahMersino:** Link to CEC The Association for the Gifted - includes position papers on Rtl, etc. <http://bit.ly/gTDgbq> #gtchat
- 4:15 pm **jofrei:** Q1 How would this work - does someone in the President's office follow or ??? #gtchat
- 4:15 pm **GaryBrannigan:** RT @ljconrad: @DeborahMersino This is a great idea, but message needs to be well controlled. Very respectful. #gtchat
- 4:15 pm **DeborahMersino:** @GiftedPhoenix I'm not aware of one, but think it could be interesting. #gtchat
- 4:15 pm **Ron\_Peck:** #gtchat Is there a way to get larger media's attention on gifted Ed? i.e. CNN, NBC, CBS, etc.
- 4:16 pm **DeborahMersino:** @ljconrad I agree wholeheartedly. Don't want abuse/naysayers/individuals w/negativity blasting the gov. Want this to be thoughtful. #gtchat
- 4:16 pm **DeborahMersino:** RT @Ron\_Peck: #gtchat Is there a way to get larger medias attention on gifted Ed? i.e. CNN, NBC, CBS, etc. <=Yes. #gtchat
- 4:16 pm **cybraryman1:** @DeborahMersino On road will get back to you about Blog Carnival #gtchat
- 4:16 pm **SeaburySchool:** @DeborahMersino That new STEM publication is great. One of the best arguments for #gifted funding. Let me see if I can find it. #gtchat
- 4:17 pm **DeborahMersino:** @Ron\_Peck I think that may be the secondary outcome of a well-orchestrated campaign via SM. So many myths still exist. #gtchat
- 4:17 pm **SeaburySchool:** @Ron\_Peck I routinely e-mail @nytimes @washingtonpost and others re: #gtchat but no bites yet ...
- 4:17 pm **DeborahMersino:** Recent NAGC response to Pres. budget: <http://bit.ly/gTDgbq> #gtchat
- 4:17 pm **GiftedPhoenix:** #gtchat @SeaburySchool That might be the one I criticised on my blog for failing to include a costed action plan!
- 4:18 pm **DeborahMersino:** @SeaburySchool Agree regarding STEM - NAGC has a position paper on it as well. #gtchat
- 4:18 pm **SeaburySchool:** @GiftedPhoenix It may be - the arguments are great though! #gtchat
- 4:18 pm **Ron\_Peck:** @DeborahMersino Good point. Need to push on all fronts! #gtchat
- 4:18 pm **SeaburySchool:** @DeborahMersino @GiftedPhoenix Maybe WE should make the action plan? #gtchat
- 4:18 pm **DeborahMersino:** Regarding STEM, my question/issue centers on background of new teachers recruited in this area. Would like to have GT background #gtchat
- 4:18 pm **SeaburySchool:** @HoagiesGifted You coming to #gtchat today? Talking about national advocacy for funding.
- 4:19 pm **Ron\_Peck:** @SeaburySchool @nytimes @washingtonpost We need more of that from more people. #gtchat
- 4:19 pm **ljconrad:** Appreciate GP's suggestions. Respect his UK gov't experience. #gtchat
- 4:19 pm **GiftedPhoenix:** #gtchat The STEM reference brings up the question of strategic policy alliances - or is it 'just #gifted'?
- 4:19 pm **DeborahMersino:** Q3: Outside of Javits push, I think we need more attn at Federal level regarding needs of high ability students. Do you agree? #gtchat
- 4:19 pm **GiftedPhoenix:** @SeaburySchool Action Plans R Us! #gtchat
- 4:20 pm **DeborahMersino:** RT @ljconrad: Appreciate GPs suggestions. Respect his UK gov't experience. <=me too. #gtchat
- 4:20 pm **halleyrebecca:** Tweeting primarily as @SeaburySchool for #gtchat today. I have much to say and don't want to harass my other followers. :)
- 4:20 pm **ljconrad:** STEM is good, but it isn't gifted education. #gtchat
- 4:20 pm **geraldaungst:** @DeborahMersino Arguments can be made that gifted is/should be primarily a

- 4:20 pm **teachagiftedkid:** #gtchat Must be careful about contacting media. They tend to show only the prodigy cases, not the needs & struggles of moderately gifted.
- 4:20 pm **GiftedPhoenix:** @ljconrad They won't necessarily transfer - we tend to under-emphasise the cultural difference sometimes I think! #gtchat
- 4:21 pm **SeaburySchool:** :) RT @GiftedPhoenix: @SeaburySchool Action Plans R Us! #gtchat
- 4:21 pm **DeborahMersino:** I know NAGC State Affiliates/leaders met with members of Congress this past week. What I want is to show upsurge of grassroots sppt. #gtchat
- 4:21 pm **ljconrad:** Nice to have Mr Peck aboard, today! #gtchat
- 4:21 pm **GiftedPhoenix:** Q3. #gtchat From this perspective I'd say you'd be better off transferring the Javits money into something more dynamic and immediate!
- 4:22 pm **SeaburySchool:** @geraldaungst The problem with local oversight is the huge discrepancies in funding/support from town to city to region , etc. #gtchat
- 4:22 pm **DeborahMersino:** My ideal goal regarding a Dear Mr. President campaign centers on drawing attn to this under-served population. #gtchat
- 4:22 pm **SeaburySchool:** @geraldaungst But agree that Federal oversight of educational programs has often been ... less than desirable. #gtchat
- 4:22 pm **DeborahMersino:** @geraldaungst So much of our NCLB legislation, tho, winds up impacting how local districts spend/etc. #gtchat
- 4:23 pm **SeaburySchool:** @teachagiftedkid When I contact newspapers, etc., I focus on #gtchat as an innovative advocacy tool using social media. Can sneak msg in.
- 4:23 pm **geraldaungst:** @SeaburySchool But setting and environment has a huge impact on the need for support. What's gifted in Philly may not be in Iowa. #gtchat
- 4:23 pm **teachagiftedkid:** #gtchat Odds are that our president & all previous presidents are/were #gifted and would have been identified if a program in place.
- 4:23 pm **DeborahMersino:** I see a positive, controlled campaign directed at highlighting research, needs of high-ability, need for public ed to embrace. #gtchat
- 4:23 pm **GiftedPhoenix:** #gtchat I do think the question of whether you seek to influence the federal position or the states is key....
- 4:23 pm **cybraryman1:** @geraldaungst @DeborahMersino Good point. I feel more control needed at local level #gtchat
- 4:24 pm **DeborahMersino:** Regarding discrepancies/paradoxes in our gifted ed world, if you will, my hope is to simplify in order to move the mountain. #gtchat
- 4:24 pm **GiftedPhoenix:** #gtchat Are there any US states that you could hold up as shining exemplars for the others to follow?
- 4:24 pm **SeaburySchool:** In WA, at least, #gifted ed advocates feel like they're fighting the same fight now that they fought 20 years ago. #gtchat
- 4:25 pm **geraldaungst:** @GiftedPhoenix Ohio, Mississippi for starters. #gtchat
- 4:25 pm **DeborahMersino:** @GiftedPhoenix Something in my gut is telling me strongly that we need national awareness first. Even tho states control pursestrngs #gtchat
- 4:25 pm **SeaburySchool:** Manage to convince one round of legislators/policy-makers, then rookies come in and think "The smart kids don't need help." #gtchat
- 4:26 pm **ljconrad:** @teachagiftedkid They are for the most part - gifted parents as well! ;) #gtchat
- 4:26 pm **GiftedPhoenix:** #gtchat ....or even any districts that are protecting #gifted education against the cuts
- 4:26 pm **DeborahMersino:** Note re local control: Everyone currently dealing w/major cuts. GT first to go (looked upon as "extra". #gtchat
- 4:26 pm **teachagiftedkid:** @GiftedPhoenix May have to research certain areas within a state. Moved away from an excellent program 5 yrs ago in parish in LA. #gtchat

- 4:26 pm **SeaburySchool:** @geraldaungst What if there was a basic funding structure for providing teachers/ #gifted classrooms, then local control of content? #gtchat
- 4:26 pm **DeborahMersino:** This campaign would be more directed/focused on building long-term support for this population. #gtchat
- 4:26 pm **Ron\_Peck:** @SeaburySchool In Oregon the support for gifted Ed has declined significantly in the past 20 years #gtchat
- 4:26 pm **GiftedPhoenix:** @DeborahMersino Even if you risk federal control of gifted education - and the common core standards arguments repeated? #gtchat
- 4:26 pm **geraldaungst:** @DeborahMersino @GiftedPhoenix Problem is gifted doesn't have the sympathy factor that other awareness campaigns can play on. #gtchat
- 4:27 pm **DeborahMersino:** CO is often held up as an exemplar. Nevertheless, gifted programs are still being cut/not ideal. #gtchat
- 4:27 pm **teachagiftedkid:** #gtchat FYI My GT Specialist position is now being combined with Math Specialist. No money for extra person at my school.
- 4:27 pm **geraldaungst:** @SeaburySchool Is that realistic? Any federal money would be tightly controlled and used to dictate content, etc. #gifted #gtchat
- 4:27 pm **DeborahMersino:** RT @geraldaungst: @DeborahMersino @GiftedPhoenix Where we can CHANGE mindsets. Messaging is critical and needs to be well-crafted. #gtchat
- 4:28 pm **DeborahMersino:** @teachagiftedkid Sad. #gtchat
- 4:28 pm **geraldaungst:** @SeaburySchool Just look at NCLB, RTTT, etc. #gifted #gtchat
- 4:28 pm **Ijconrad:** @DeborahMersino for some of us - we need to work with state politicians simultaneously. These are perilous times! #gtchat
- 4:28 pm **GiftedPhoenix:** #gtchat How about state standards for gifted education, building on NAGC's district-wide standards? Or start with a charter?
- 4:28 pm **SeaburySchool:** @geraldaungst Yes, I could see it going very badly too - but agree with @deborahmersino about the need for national awareness. #gtchat
- 4:29 pm **DeborahMersino:** @GiftedPhoenix Not sure if I understand ?. I'm not looking for Fed control as much as awareness. Want support for growth models/prgm #gtchat
- 4:29 pm **teachagiftedkid:** #gtchat @DeborahMersino Most everyone's comment is "Well you have job security." Sad, but true. [Like it? <http://bit.ly/frUQpH> ]
- 4:29 pm **DeborahMersino:** RT @Ijconrad: @DeborahMersino for some of us - we need to work with state politicians simultaneously. These are perilous times!<=YES #gtchat
- 4:29 pm **GiftedPhoenix:** #gtchat You could take a look at the #gtvoice charter and adapt/revise to meet US circumstances - something everyone can sign up to
- 4:29 pm **cybraryman1:** My advocacy for the gifted sites <http://cybraryman.com/gifted2.html#advocacy> #gtchat
- 4:30 pm **SeaburySchool:** Hard for us to watch cuts - as non-profit/private school we do not rely on state \$. But we want the best for kids who can't be here. #gtchat
- 4:30 pm **jofrei:** RT @cybraryman1: My advocacy for the gifted sites <http://cybraryman.com/gifted2.html#advocacy> #gtchat
- 4:30 pm **GiftedPhoenix:** @DeborahMersino #gtchat Well say they (the feds) become aware - what do you want them to do about it once they are?
- 4:30 pm **TPBookSeries:** What about positive/negative comparison: In program, great achievements, no program, increased high school drop-outs. #gtchat
- 4:30 pm **DeborahMersino:** @GiftedPhoenix - I've looked at GTVoice, but need to examine more carefully. #gtchat
- 4:30 pm **SeaburySchool:** We are on a very tight budget, supported mostly by tuition. Many kids can't afford, but need us all the same. #gtchat

- 4:31 pm **THE\_REAL\_GIFTED:** Columbine? #HaltJoke #Seriously RT @Ron\_Peck: #gtchat Is there a way to get larger media's attention on gifted Ed? i.e. CNN, NBC, CBS, etc.
- 4:31 pm **DeborahMersino:** @GiftedPhoenix Fair/good ?. See what NAGC hopes to encourage: <http://www.nagc.org/>. I suppose this is what I'm after. #gtchat
- 4:31 pm **DeborahMersino:** @TPBookSeries Yes. #gtchat
- 4:32 pm **teachagiftedkid:** #gtchat Budget cuts put very experienced/skilled teachers of the gifted in difficult positions. Stay & teach outside of calling or leave.
- 4:32 pm **ljconrad:** RT @cybraryman1: My advocacy for the gifted sites <http://cybraryman.com/gifted2.html#advocacy> #gtchat
- 4:32 pm **GiftedPhoenix:** #gtchat You could also keep tally of the 'gifted education being cut' stories- a map of the districts making cuts would be visually powerful
- 4:32 pm **DeborahMersino:** To me, I know Fed has been focused on gap in gifted pops. I want them to see gap b/w public/private too. #gtchat
- 4:32 pm **DeborahMersino:** @GiftedPhoenix LOVE this. #gtchat
- 4:33 pm **DeborahMersino:** @GiftedPhoenix - The paradoxes need addressing - they're like big elephants in the room suffocating advocacy efforts. #gtchat
- 4:33 pm **geraldaugst:** @DeborahMersino Conversation also must focus on how strong gifted ed benefits \*ALL\* students and teachers. #gtchat
- 4:33 pm **SeaburySchool:** @GiftedPhoenix Powerful and horrifying. Good thought. #gtchat
- 4:33 pm **DeborahMersino:** @teachagiftedkid This is what's tragic. #gtchat
- 4:34 pm **cybraryman1:** RT @geraldaugst: @DeborahMersino Conversation also must focus on how strong gifted ed benefits \*ALL\* students and teachers. #gtchat
- 4:34 pm **SeaburySchool:** RT @geraldaugst: @DeborahMersino Conversation also must focus on how strong gifted ed benefits \*ALL\* students and teachers. #gtchat
- 4:34 pm **DeborahMersino:** @geraldaugst Agree. And even believe campaign would benefit from language of "talent development" vs. gifted ed. #gtchat
- 4:34 pm **teachagiftedkid:** RT @geraldaugst: @DeborahMersino Conversation also must focus on how strong gifted ed benefits \*ALL\* students and teachers. #gtchat
- 4:34 pm **GiftedPhoenix:** @DeborahMersino #gtchat the equity arguments are most powerful - but they don't seem to be influencing the Fed Ed Dept?
- 4:34 pm **jofrei:** RT @GiftedPhoenix: keep tally of the gifted ed being cut stories- map of districts making cuts visually powerful - sounds effective #gtchat
- 4:35 pm **DeborahMersino:** Q5: Do any of you know of software/programs/apps that allow for email capture? #gtchat
- 4:35 pm **TPBookSeries:** Politicians need fear factor as well as the carrot to spur action. High school drop outs is currently an area of major embarrassment #gtchat
- 4:35 pm **cybraryman1:** @geraldaugst Great to have you here. I admire your expertise! #gtchat
- 4:35 pm **DeborahMersino:** @GiftedPhoenix Doesn't appear so... #gtchat
- 4:35 pm **GiftedPhoenix:** @DeborahMersino #gtchat We've gone for a 'broad church' approach since we think tight consensus is simply impossible at the moment...
- 4:36 pm **DeborahMersino:** Ideally, I would like a centralized spot where ppl (parents, educators, advocates) could input letters. (Want to approve first tho) #gtchat
- 4:36 pm **DeborahMersino:** @GiftedPhoenix Wise. #gtchat
- 4:36 pm **geraldaugst:** @DeborahMersino Yes, but also need to clearly define "talent." #gtchat
- 4:36 pm **GiftedPhoenix:** @geraldaugst Yup - that rising tide argument is equally powerful - and something about changing from deficit model thinking...#gtchat
- 4:37 pm **DeborahMersino:** @TPBookSeries Agree w/you! We have some research tying drop outs and gifted. Don't know if it's strong enough tho. #gtchat

- 4:37 pm **GiftedPhoenix:** @SeaburySchool It's hard currently to see anything else in my daily 'gifted news' sift.... #gtchat
- 4:37 pm **geraldaugst:** @cybraryman1 On the grand scale of expertise, I'm still pretty close to the bottom, but thanks. :) #gtchat
- 4:37 pm **DeborahMersino:** @geraldaugst I'm right there with you! That's why this is a collaborative effort. #gtchat
- 4:37 pm **cybraryman1:** @DeborahMersino How about a google doc? #gtchat
- 4:38 pm **teachagiftedkid:** #gtchat Wonder if there is a 'tie' between the # of prisoners who were frustrated gifted children in school? Any research on that?
- 4:38 pm **jofrei:** RT @ljconrad: @GiftedPhoenix has important presentation in Second Life coming up abt gifted worldwide. I have presentation as well. #gtchat
- 4:38 pm **DeborahMersino:** My feeling is that we need FAR more parents & ed who believe in suppting this population to write/email/post. Want to make it easy! #gtchat
- 4:39 pm **asynschlrfsnd:** Jumping in late from meeting, sorry; but I love these ideas! #gtchat
- 4:39 pm **geraldaugst:** @DeborahMersino So how do we create a national conversation around something that isn't sexy? #gtchat
